Senate Water and Land Chair to Visit the Islands of Maui and Lana'i

MAUI –Senate Water and Land Chair Malama Solomon will conduct site visits on the islands of Maui and Lana'i from **Wednesday, September 18 to Friday, September 20, 2013**. Invited by the Department of Land and Natural Resources (DLNR), the Senator will receive updates on various programs, projects, and concerns. Senator Gilbert Kahele, chair of the Tourism Committee, will also be joining the group.

Wednesday, September 18, 2013

- Koa forest watershed project
- Iao Valley State Monument
- Lipoa Point

Thursday, September 19, 2013

- New DOCARE enforcement boat Ha'ena State Park
- Lahaina Harbor
- Manele Bay Small Boat Harbor
- Lana'i Island watershed

Friday, September 20, 2013

- Lana'i Island Baseyard

"I applaud the Department of Land and Natural Resources for organizing these informative site visits and look forward to learning more about their work on the islands of Maui and Lana'i," said Senator Malama Solomon. "Through working collaboratively with the department we will be able to better define and address the needs of all of our islands."

These visits are part of a number of statewide site visits the Senator and DLNR are conducting this interim.
