## A BILL FOR AN ACT

RELATING TO CONTROLLED-ACCESS FACILITIES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Section 264-64, Hawaii Revised Statutes, is  
2 amended to read as follows:

3           "**§264-64 Design of controlled-access facility and**  
4 **regulation, restriction, or prohibition of access; penalty.** (a)

5 The director of transportation may so design any controlled-  
6 access facility and so regulate, restrict, or prohibit access as  
7 to best serve the traffic for which such facility is intended.

8 In this connection, the director may divide and separate any  
9 controlled-access facility into separate roadways by the  
10 construction of raised curbing, central dividing sections, or  
11 other physical separations, or by designating the separate  
12 roadways by signs, markers, stripes, and the proper lane for the  
13 traffic by appropriate signs, markers, stripes, and other  
14 devices.

15           (b) The director of transportation shall designate the  
16 right shoulder lane of the east-bound lanes of the controlled-  
17 access facility known as H-1 for use by through traffic  
18 beginning at exit 15A and ending at exit 1. The director's

1 designation pursuant to this subsection shall be effective on  
2 weekdays from 5:30 a.m. until at least 10:00 a.m, except for  
3 state or federal holidays.

4       (c) No person shall have any right of ingress or egress  
5 to, from, or across controlled-access facilities to or from  
6 abutting lands, except at the designated points at which access  
7 may be permitted, upon such terms and conditions as may be  
8 specified by the director. Any person who violates this section  
9 shall be fined not more than \$250 or imprisoned not more than  
10 three months, or both."

11       SECTION 2. The director of transportation shall seek  
12 approval of the designation of the right shoulder lane of the  
13 east-bound controlled-access facility known as H-1 for through  
14 traffic pursuant to this Act from the United States Department  
15 of Transportation as required by federal law.

16       SECTION 3. New statutory material is underscored.

17       SECTION 4. This Act shall take effect upon its approval;  
18 provided that the director of transportation's designation under  
19 section 264-64(b), Hawaii Revised Statutes, shall not be

1 implemented until approval therefor is obtained from the United  
2 States Department of Transportation.

# H.B. NO. 1325

**Report Title:**

Shoulder Lane; Traffic Control; Controlled-Access Facilities

**Description:**

Requires the Director of Transportation to allow the general use of the right shoulder lane of the east-bound lanes of the controlled-access facility known as H-1 for use by through traffic beginning at exit 15A and ending at exit 1 on weekdays from 5:30 a.m. until at least 10:00 a.m., except on state or federal holidays.
