
A BILL FOR AN ACT

RELATING TO HIGHER EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The Daniel K. Inouye College of Pharmacy at the
2 University of Hawaii at Hilo was established in 2006 and
3 achieved full accreditation by the Accreditation Council for
4 Pharmacy Education in June 2011 to offer the doctor of pharmacy
5 degree. The college of pharmacy also offers a doctoral program
6 in pharmaceutical sciences and a residency program.

7 Although the college has achieved full accreditation, the
8 legislature finds that accreditation is in jeopardy due to the
9 lack of a permanent facility to house the college. The college
10 of pharmacy is dependent upon the legislature to provide funding
11 for this facility.

12 The success of the college of pharmacy is vital not only to
13 addressing Hawaii's shortage of medical professionals but also
14 to the State's overall economic development. Given these wide-
15 reaching, statewide effects, the legislature finds and declares
16 that the financial sustainability and success of the college of
17 pharmacy is an issue of statewide concern and therefore under

1 the legislature's purview pursuant to article X, section 6, of
2 the Hawaii State Constitution.

3 Accordingly, the purpose of this Act is to establish a
4 five-year pilot program under which the college of pharmacy
5 shall be financially and managerially independent.

6 SECTION 2. Chapter 304A, Hawaii Revised Statutes, is
7 amended by adding a new subpart to part IV to be appropriately
8 designated and to read as follows:

9 " . UNIVERSITY OF HAWAII AT HILO COLLEGE OF PHARMACY

22 who shall be appointed as follows:

2 of Hawaii board of regents to be appointed by the
3 chair of the University of Hawaii board of regents;
4 provided that the terms of the members appointed
5 pursuant to this paragraph shall be staggered and
6 shall conclude non-concurrently;
- 7 (2) One member with financial management experience to be
8 appointed by the governor pursuant to section 26-34;
9 provided that the term of the member appointed
10 pursuant to this paragraph shall be five years;

12 pharmacy to be appointed by the chair of the board of

1 (c) The board of governors shall select a chair from among
2 its members; provided that the chair shall not be a member

13 of the legislature."

14 SECTION 3. Chapter 304A, Hawaii Revised Statutes, is
15 amended by adding a new section to subpart C of part V to be
16 appropriately designated and to read as follows:

17 "§304A-C University of Hawaii at Hilo college of pharmacy
18 special fund. (a) There is established the University of
19 Hawaii at Hilo college of pharmacy special fund, which shall be
20 administered by the University of Hawaii at Hilo college of
21 pharmacy board of governors.

1 (b) The special fund shall consist of all the revenues of
2 the college of pharmacy, including revenues and any interest
3 accrued from tuition, grants, fees, and donations.

4 (c) The special fund may be used for the following
5 purposes:

- 6 (1) To reimburse the University of Hawaii at Hilo for all
7 costs associated with the construction of the college
8 of pharmacy facility; provided that reimbursement
9 terms and conditions, if any, shall be determined by
10 the department of budget and finance in consultation
11 with the college of pharmacy board of governors;
- 12 (2) To procure loans from a financial institution to
13 construct, maintain, and operate the college of

11 SECTION 4. Commencing not later than July 1, 2018, the
12 University of Hawaii board of regents shall perform a program
13 evaluation to consider whether the college of pharmacy should be
14 continued. The main criteria of the evaluation shall be the
15 ability of the college of pharmacy to fiscally sustain its
16 operations during the five-year pilot program. If the
17 University of Hawaii board of regents finds, as a result of its
18 program evaluation, that the college of pharmacy meets the
19 criteria for success and sustainability, the terms and
20 conditions of the program shall be adopted and implemented as
21 the operational structure for the college of pharmacy. If the
22 University of Hawaii board of regents finds, as a result of its
