2 shall practice or offer to practice as a veterinary technician,
3 either gratuitously or for pay, or shall announce or advertise
4 either publicly or privately as prepared or qualified to so
5 practice, or affix any letters to the person's name with the
6 intent thereby to imply that the person is a registered
7 veterinary technician, without having a valid unrevoked
8 certificate of registration from the board of veterinary
9 examiners.

10 (b) Nothing in this chapter shall prevent or prohibit:

11 (1) Any person from treating any animal without
12 expectation or receipt of compensation in case of
13 emergency;

14 (2) The owner of any animal or animals and the owner's
15 full-time, regular employees from caring for and
16 treating any animal belonging to the owner;

17 (3) Students in an educational program for veterinary
18 technicians from participating in activities conducted
19 as part of the educational program under the
20 supervision and guidance of a licensed veterinarian or
21 registered veterinary technician;

- 1 (4) Individuals who are employed by a licensed

- 6 (5) Any person from practicing as a veterinary technician
7 in the employ of the United States government while
8 engaged in the performance of the person's official
9 duties;
- 10 (6) Any person licensed to practice as a veterinarian in
11 any state, or any certified scientist or professional
12 in animal care, from practicing in this State when in
13 actual consultation with or under the sponsorship of a
14 licensed veterinarian of this State; provided that the
15 person licensed from another state, or the certified
16 scientist or professional in animal care, shall not

18 receive calls within the limits of the State; or
- 19 (7) Any farmer from giving to another farmer the

4 **§ -3 Power to investigate.** The board or any member
5 thereof, or any person designated by the board for the purpose,
6 may investigate any violation or suspected violation of this
7 chapter. Each member of the board may administer oaths in
8 connection with any such investigation.

9 **§ -4 Registration.** (a) Except as otherwise provided in

14 and who pay the required registration fee.

15 (b) All certificates of registration issued by the board
16 shall expire on June 30 of each even-numbered year next
17 following the date of issuance. Failure to renew the
18 certificate of registration on or before June 30 of each even-
19 numbered year shall automatically constitute a forfeiture of the
20 certificate of registration; provided that the certificate of
21 registration shall be restored upon compliance with rules
22 adopted by the board.

1 (c) Notwithstanding any other provision to the contrary,
2 no registration shall expire while the registered individual is

4 during any emergency declared by the President or Congress and
5 six months after the termination thereof.

6 **§ -5 Refusal to grant, revocation, and suspension of a**
7 **registration.** (a) In addition to any other actions authorized
8 by law, the board may refuse to grant, renew, reinstate or
9 restore a registration for any cause that would be ground for
10 revocation of a certificate registration under the law or rules
11 adopted by the board.

12 (b) In addition to any other actions authorized by law,
13 the board may revoke or suspend the certificate of registration
14 of any veterinary technician, fine a registered individual, or
15 both, for any cause authorized by law or rules adopted by the
16 board.

17 **§ -6 Hearings.** In every case where it is proposed to

19 registration or to revoke or suspend the certificate of
20 registration for cause, the person concerned shall be given
21 notice and opportunity for hearing in conformity with chapter
22 91.

1 In all proceedings before it, the board and each member
2 thereof shall have the same powers respecting administering
3 oaths, compelling the attendance of witnesses and the production
4 of documentary evidence, and examining witnesses as are
5 possessed by circuit courts. In case of disobedience by any
6 person of any order or subpoena of the board or any member
7 thereof or the refusal of any witness to testify to any matter
8 regarding which the witness may lawfully be questioned, any
9 circuit judge, on application by the board or any member
10 thereof, shall compel obedience as in the case of disobedience
11 of the requirements of a subpoena issued by a circuit court, or
12 a refusal to testify therein.
