JUSTIFICATION SHEET

DEPARTMENT: Budget and Finance

TITLE: A BILL FOR AN ACT RELATING TO THE UNCLAIMED PROPERTY TRUST FUND.

PURPOSE: To decrease the compensation cap for non-attorney professional locators from twenty-five percent to ten percent of the total value of property on an owner's agreement to locate and recover unclaimed property.

MEANS: Amend section 523A-25(d), Hawaii Revised Statutes ("HRS").

JUSTIFICATION: Currently, section 523A-25(d) sets the compensation cap for professional locators of unclaimed property at twenty-five percent of the total value of property on an owner's agreement to locate and recover abandoned property. The twenty-five percent compensation cap also pertains to attorneys who assist owners with their claims. Unlike attorneys, the professional locators do not provide specialized legal assistance to owners to warrant compensation of up to twenty-five percent. It would be in the best interest of owners of unclaimed property to reduce the fees of professional locators to ten percent, which was the cap for professional locators prior to the enactment of Act 286, Session Laws of Hawaii 2013. The Department of Budget and Finance does not object to the twenty-five percent cap currently in place for attorneys due to the legal work provided.

Impact on the public: Owners of unclaimed property will then be able to retain their fair and reasonable share of the total value of the property.
