JUSTIFICATION SHEET

DEPARTMENT: Hawaiian Home Lands

TITLE: A BILL FOR AN ACT RELATING TO AFFORDABLE HOUSING ON HAWAIIAN HOME LANDS.

PURPOSE: Repeals June 30, 2015 sunset of Act 141, Session Laws of Hawaii, 2009, and June 30, 2015, sunset of Act 98, Session Laws of Hawaii, 2012, to make a pilot affordable housing credit program permanent.

MEANS: Amend section 3 of Act 141, Session Laws of Hawaii 2009, and section 3 of Act 98, Session Laws of Hawaii 2012.

JUSTIFICATION: Repeal of the sunset allows the department to continue to receive affordable housing credits from the counties and transfer them to housing developers for the purpose of providing incentive for private sector developers to build affordable homes on Hawaiian home lands. Since Act 141 was enacted in 2009, the department has worked with each county to request and acquire affordable housing credits for completed units in homestead communities. This pilot program has resulted in successful private-public partnerships through the exchange of credits creating resources for the department to further develop homestead lots.

Impact on the public: There is a positive impact on the public as this proposal helps ensure that the department will have resources for programs for native Hawaiian lessees and applicants, including the development of homestead lots, loans, and other rehabilitation programs.

Impact on the department and other agencies: This proposal allows the department to continue to access needed resources to support its programs without requiring any

general funds. Further, this proposal does not diminish the counties' ability to provide affordable housing to their respective residents.

OTHER FUNDS: None.
