Report Title:

Highway Safety; Motor Vehicle Safety Law

Description:

Amends or deletes statutes containing federal requirements that are addressed in Hawaii Administrative Rules.

The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.

JUSTIFICATION SHEET

DEPARTMENT: Transportation

TITLE: A BILL FOR AN ACT RELATING TO MOTOR CARRIER SAFETY.

PURPOSE: To amend or delete statutes containing federal requirements that are addressed in Hawaii Administrative Rules.

MEANS: Repeal section 286-202.6 and amend section 286-207, Hawaii Revised Statutes.

JUSTIFICATION: Serious financial penalties can be incurred when a State does not comply with certain federal motor carrier safety regulations. Adopting these regulations by reference in administrative rules is expedient and ensures exact compliance. When placing these regulations in the Hawaii Revised Statutes, there is a possibility for noncompliance to result when various legislative drafts are developed. To ensure exact compliance and avoid the possibility of a contradiction between rules and statutes, the department is deleting statutes and provisions of the HRS whenever they are addressed in administrative rules or otherwise deemed unnecessary.

The statutes that are repealed by this bill are currently addressed in chapter 19-141, Hawaii Administrative Rules, or no longer needed in the Hawaii Revised Statutes.
