
A BILL FOR AN ACT

RELATING TO THE INTERNATIONAL DAY OF NONVIOLENCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that violence pervades
2 society and can occur within a family, a workplace, governments,
3 and society. Violence includes crimes of hate and passion,
4 racial massacres, and crimes against poor and weak minorities
5 and cultures. Many cultures and societies around the world are
6 too quick to resort to violent action to resolve differences or
7 obtain desired results, which causes too many lives to be hurt
8 or lost.

9 The legislature further finds that the United Nations
10 General Assembly approved Mahatma Gandhi's birthday, October 2,
11 as an International Day of Nonviolence. Mahatma Gandhi was the
12 ultimate advocate of peace. He believed that the way to resolve
13 all conflict is with nonviolence. He urged humankind to reject
14 violence and embrace nonviolent action as an alternative to
15 passive acceptance of oppression. The Gandhi International
16 Institute for Peace is located in Hawaii and works to honor
17 Mahatma Gandhi by inspiring youth to practice nonviolence.
