
A BILL FOR AN ACT

RELATING TO INSURANCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the federal Patient
2 Protection and Affordable Care Act of 2010 (Affordable Care Act)
3 encourages states to develop innovative approaches to insuring
4 their populations by authorizing states to apply for waivers
5 from certain requirements of the Affordable Care Act. To be
6 eligible, a state must demonstrate that its proposed health
7 insurance reforms are as comprehensive and affordable as the
8 federal requirements for insurance sold in its state health
9 insurance exchange. In addition, proposed reforms must be
10 budget neutral for the federal government. States that are
11 granted innovation waivers may receive federal assistance to
12 operate their reform programs in an amount that is equivalent to
13 the aggregate amount of tax credits and cost-sharing subsidies
14 that the federal government would have paid for individuals
15 enrolled in state health insurance exchanges.

16 The legislature also finds that Hawaii has a bold history
17 as an innovator in ensuring that its residents have access to
18 health care. The Hawaii Prepaid Health Care Act has ensured the

1 availability of employer-sponsored health insurance for workers
2 and their families, and the State's medicaid program has
3 provided access to comprehensive managed care for low-income
4 families. The legislature believes that, while Hawaii has taken
5 great steps in implementing the health insurance exchange and
6 other insurance reforms required by the Affordable Care Act, the
7 State may be able to create a more effective alternative
8 solution for providing affordable health coverage to
9 individuals.

10 The purpose of this Act is to establish a state innovation
11 waiver task force to develop a health care reform plan that
12 meets requirements for obtaining a state innovation waiver.

13 SECTION 2. (a) There is created the state innovation
14 waiver task force, to be temporarily attached to the office of
15 the governor for administrative purposes.

17 (g) The task force shall submit a final report of its
