
A BILL FOR AN ACT

RELATING TO TAXATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 247, Hawaii Revised Statutes, is
2 amended by adding five new sections to be appropriately
3 designated and to read as follows:

4 "§247-A Definitions. For the purposes of this chapter,
5 unless otherwise expressly stated:

6 "Consideration" means the price actually paid or required
7 to be paid for the real property or interest therein, including:

- 8 (1) Payment for an option or contract to purchase real
9 property, whether or not expressed in the deed and
10 whether paid or required to be paid by money,
11 property, or any other thing of value;
- 12 (2) Cancellation or discharge of an indebtedness or
13 obligation; or
- 14 (3) The amount of any mortgage, purchase money mortgage,
15 lien or other encumbrance, whether or not the
16 underlying indebtedness is assumed or taken subject to
17 the encumbrance;

1 provided that, in the case of a controlling interest in any
2 entity that owns real property, consideration shall mean the
3 fair market value of the real property or interest therein,
4 apportioned based upon the percentage of the ownership interest
5 transferred or acquired in the entity.

6 "Conveyance" means the transfer or transfers of any
7 interest in real property by any method, including but not
8 limited to sale, exchange, assignment, surrender, mortgage
9 foreclosure, transfer in lieu of foreclosure, option, trust
10 indenture, taking by eminent domain, conveyance upon liquidation
11 or by a receiver, or transfer or acquisition of a controlling
12 interest in an entity with an interest in real property.

13 Conveyance of an interest in real property shall include the
14 creation of a leasehold or sublease.

15 "Grantee" means the person who obtains real property or
16 interest therein as the result of a conveyance.

17 "Grantor" means the person making the conveyance of real
18 property or interest therein. Where the conveyance consists of
19 a transfer or an acquisition of a controlling interest in an
20 entity with an interest in real property, "grantor" means the
21 entity with an interest in real property or a shareholder or

1 partner transferring stock or partnership interest,
2 respectively.

3 "Interest in the real property" includes title in fee, a
4 leasehold interest, a beneficial interest, an encumbrance,
5 development rights, space rights, air rights, or any other
6 interest with the right to the use or occupancy of real property
7 or the right to receive rents, profits, or other income derived
8 from real property.

9 "Real property" means every estate or right, legal or
10 equitable, present or future, vested or contingent, in lands,
11 tenements, or hereditaments, including buildings, structures,
12 and other improvements thereon, that are located in whole or in
13 part within the State.

14 §247-B "Controlling interest", defined; application. (a)

15 For the purposes of this chapter, "controlling interest" means:

16 (1) In the case of a corporation,

17 (A) Fifty per cent or more of the total combined
18 voting power of all classes of stock of the
19 corporation; or

20 (B) Fifty per cent or more of the capital, profits,
21 or beneficial interest in the voting stock of the
22 corporation; and

1 (2) In the case of a partnership, association, trust, or
2 other entity, fifty per cent or more of the capital,
3 profits, or beneficial interest in the partnership,
4 association, trust, or other entity.

5 (b) In the case of a corporation that has an interest in
6 real property, the transfer or acquisition of a controlling
7 interest in the corporation occurs when a person, or group of
8 persons acting in concert, transfers or acquires a total of
9 fifty per cent or more of the voting stock in the corporation.

10 In the case of a partnership, association, trust, or other
11 entity having an interest in real property, the transfer or
12 acquisition occurs when a person, or group of persons acting in
13 concert, transfers or acquires a total of fifty per cent or more
14 of the capital, profits, or beneficial interest in the entity.

15 For the purposes of this subsection:

16 (1) Persons are acting in concert when they have a
17 relationship such that one person influences or
18 controls the actions of another. For example, if a
19 parent corporation and a wholly-owned subsidiary
20 corporation each sell or purchase a twenty-five per
21 cent interest in an entity, the two corporations shall

1 be considered to have acted in concert to transfer or
2 acquire a controlling interest in the entity; and
3 (2) Where the individuals or entities are not commonly
4 controlled or owned, persons shall be treated as
5 acting in concert when the unity with which the
6 sellers or purchasers have negotiated and will
7 consummate the transfer of ownership interests
8 indicates they are acting as a single entity. If the
9 transfers or acquisitions are completely independent,
10 with each grantor selling or grantee buying without
11 regard to the identity of the other grantors or
12 grantees, then the transfers or acquisitions shall be
13 treated as separate transfers or acquisitions. The
14 grantors or grantees may be required to provide a
15 sworn statement that their transfers or acquisitions
16 are independent of each other. Factors that indicate
17 whether persons are acting in concert shall include
18 the following:
19 (A) The transfers or acquisitions are closely related
20 in time;
21 (B) There are few grantors or grantees;
22 (C) The contracts of sale contain mutual terms; and

1 (D) The grantors or grantees have entered into an
2 agreement, in addition to the sales contract,
3 binding themselves to a course of action with
4 respect to the transfer or acquisition.

5 (c) Notwithstanding the definition of "controlling
6 interest" and the exercise thereof in subsections (a) and (b),
7 the tax imposed by this chapter shall apply to:

8 (1) The original conveyance of shares of stock in a
9 cooperative housing corporation as defined in section
10 421I-1, or limited-equity housing cooperative as
11 defined in section 421H-1, in connection with the
12 grant or transfer of a right of occupancy by the
13 cooperative housing corporation or limited-equity
14 housing cooperative; and

15 (2) The subsequent conveyance of the stock in a
16 cooperative housing corporation or limited-equity
17 housing cooperative in connection with the grant or
18 transfer of a right of occupancy by the owner thereof.

19 (d) For purposes of determining whether or not a
20 controlling interest is transferred or acquired, only transfers
21 or acquisitions of interests occurring on or after July 1, 2014,
22 shall be added together.

1 A transfer or acquisition made on or after July 1, 2014,
2 does not have to be included, for purposes of determining
3 whether or not a controlling interest is transferred or
4 acquired; provided that the transfer or acquisition is made
5 pursuant to a binding written contract that was entered into
6 before July 1, 2014.

7 (e) In the case of a transfer or acquisition of an
8 interest in an entity that has an interest in real property, on
9 or after July 1, 2014, that is followed by a subsequent transfer
10 or acquisition of an additional interest or interests in the
11 same entity, the transfers or acquisitions shall be added
12 together to determine if a transfer or acquisition of a
13 controlling interest has occurred.

14 (f) In the case of a transfer or acquisition of a
15 controlling interest in an entity, on or after July 1, 2014,
16 where the conveyance tax is paid on that transfer or acquisition
17 and there is a subsequent transfer or acquisition of an
18 additional interest in the same entity, it shall be considered
19 that a second transfer or acquisition of a controlling interest
20 has occurred, which shall be subject to the conveyance tax.

21 (g) No transfer or acquisition of an interest in an entity
22 that has an interest in real property shall be added to another

1 transfer or acquisition of an interest in the same entity if the
2 transfers or acquisitions occur more than three years apart,
3 unless the transfers or acquisitions were so timed as part of a
4 plan to avoid the conveyance tax.

5 (h) For the purposes of applying the tax imposed under
6 this chapter to the transfer or acquisition of a controlling
7 interest in an entity, the tax shall be imposed when there is a
8 transfer or an acquisition of a controlling interest in the same
9 conveyance.

10 **§247-C Taxation at the lowest rate.** Notwithstanding any
11 exemption under section 247-3, the tax imposed by section 247-1
12 shall apply to the following conveyances at the lowest rate
13 provided in section 247-2(1), regardless of the amount of
14 consideration:

15 (1) Any document or instrument conveying real property, or
16 any interest therein, from an entity that is a party
17 to a merger or consolidation under chapter 414, 414D,

19 new entity;

20 (2) Any document or instrument conveying real property, or
21 any interest therein, from a dissolving limited
22 partnership to its corporate general partner that

 3 determined by applying section 318 (with respect to
 4 constructive ownership of stock) of the Internal
 5 Revenue Code of 1986, as amended, to the constructive
 6 ownership of interests in the partnership; and

7 (3) Any document or instrument conveying real property, or

 13 of the subject matter of the certificate, shall be confidential.

14 It shall be unlawful for any person or any officer or
 15 employee of the State to:

16 (1) Intentionally make known any certificate or
 17 certificate information filed pursuant to this
 18 chapter, or any report of any investigation of the
 19 certificate or of the subject matter of the
 20 certificate; or

1 (2) Wilfully permit any certificate, certificate
2 information, or report so made, or any copy thereof,
3 to be seen or examined by any person;
4 provided that, for tax purposes, the grantor or grantee, their
5 authorized agent, or persons with a material interest in the
6 certificate, certificate information, or report may examine the
7 certificate, certificate information, or report.

8 (b) For the purposes of this section, unless otherwise
9 provided by law, persons with a material interest in a
10 certificate, certificate information, or report shall include:

1 (d) No recorded instrument effecting a conveyance shall be
