JUSTIFICATION SHEET

DEPARTMENT: Budget and Finance

TITLE: A BILL FOR AN ACT RELATING TO RETIREMENT BENEFITS FOR JUDGES.

PURPOSE: To correct errors in sections 88-73 and 88-74, Hawaii Revised Statutes, to restore parity, with respect to age and service requirements for retirement, between current members who become judges after June 30, 2012, and other contributory plan members who are currently members.

MEANS: Amend sections 88-73(b) and 88-74(c) and (d), Hawaii Revised Statutes.

JUSTIFICATION: Prior to the enactment of Act 163, Session Laws of Hawaii 2011, the age and service requirements for retirement for judges were the same as for other contributory plan members who became members of the Employees' Retirement System at the same time. Act 163 enacted more stringent age and service requirements for retirement by members of the system who become members of the system after June 30, 2012, and for current members of the system who become judges after June 30, 2012. As a result, current members of the system who become judges after June 30, 2012, are subject to more stringent age and service requirements than other contributory plan members who became members of the system at the same time. The proposed amendments to sections 88-73(b) and 88-74(c) and (d) restore parity between judges and other contributory plan members with respect to age and service requirements for retirement.
