# HOUSE CONCURRENT RESOLUTION

REQUESTING THE DRUG ENFORCEMENT ADMINISTRATION TO INITIATE  
RESCHEDULING PROCEEDINGS TO REMOVE MARIJUANA AS A SCHEDULE  
I CONTROLLED SUBSTANCE.

1           WHEREAS, our structure of government, known as federalism,  
2 allows for the distribution of power between the states and the  
3 federal government; and

4  
5           WHEREAS, one of the powers that remains with the states is  
6 the authority to allow the medical use of specified controlled  
7 substances under certain circumstances; and

8  
9           WHEREAS, Congress enacted the Federal Controlled Substances  
10 Act with the clear intent of allowing for changes in the federal  
11 scheduling of controlled substances based on changes in state  
12 medical use; and

13  
14           WHEREAS, the State of Hawaii lawfully exercised its  
15 authority to accept the medical use of a controlled substance  
16 when it created the State's Medical Marijuana Program in 2000  
17 and accepted the medical use of marijuana in treatment; and

18  
19           WHEREAS, the Department of Health recognizes the medical  
20 use of marijuana pursuant to Hawaii law; and

21  
22           WHEREAS, the active ingredient in Marinol is a naturally  
23 occurring component of marijuana, and Marinol has been approved  
24 by the Food and Drug Administration and the Drug Enforcement  
25 Administration as a Schedule 3 medication; and

26  
27           WHEREAS, the acceptance of the use of marijuana for medical  
28 purposes in the State means that marijuana does not satisfy the  
29 criteria for scheduling as a federal Schedule I controlled  
30 substance, because federal Schedule I requires that such

1 substances have no currently accepted medical use in the United  
2 States; and

3

4 WHEREAS, the current misclassification of marijuana as a  
5 federal Schedule I controlled substance is preventing the State  
6 from developing a state-regulated Medical Marijuana Program that  
7 can comply with federal law; and

8

9 WHEREAS, the Hawaii Medical Association adopted a formal  
10 resolution in 2010 recommending that marijuana be removed from  
11 federal Schedule I; now, therefore,

12

13 BE IT RESOLVED by the House of Representatives of the  
14 Twenty-seventh Legislature of the State of Hawaii, Regular  
15 Session of 2014, the Senate concurring, that the Drug  
16 Enforcement Administration is hereby requested to follow the  
17 Federal Controlled Substances Act and initiate rescheduling  
18 proceedings to remove marijuana as a Schedule I controlled  
19 substance; and

20

21 BE IT FURTHER RESOLVED that the Drug Enforcement  
22 Administration address the inconsistencies between federal and  
23 state law relating to marijuana as a controlled substance; and

24

25 BE IT FURTHER RESOLVED that certified copies of this  
26 Concurrent Resolution be transmitted to the Attorney General of  
27 the United States, Secretary of the Department of Health and  
28 Human Services, Administrator of the Drug Enforcement  
29 Administration, Governor of Hawaii, Director of Health, Director  
30 of Public Safety, and the State Attorney General.
