

# MISC. COMM. NO. 5

January 14, 2014

Senator Donna Merchado Kim  
Hawaii State Capitol, Room 409  
415 S. Beretania Street  
Honolulu, HI 96813

Dear Senator Kim:

Pursuant to Section 4 of HB 65, the following is UHA's report to the legislature relating to prescription drugs:

1. As of January 14, 2014, the number of beneficiaries with prescription drug coverage is 45,417
2. UHA does not have a requirement to purchase prescription drugs from a mail order pharmacy, therefore there is no data available to count beneficiaries who opted out of a mandatory program
3. On January 14, 2014, the point of contact at the Insurance Division informed UHA that their office is currently drafting the form of the report; and that it should be available for plans to download prior to the first deadline of March 31, 2014

Should you have any questions, please contact me at 532-2547.

Sincerely,

A handwritten signature in black ink, appearing to read "Alyson Estrella", written in a cursive style.
