14 department.

15 (c) The nursing facility sustainability fee shall not
16 exceed four per cent of net patient service revenue and shall be
17 calculated and paid on a per resident day basis. The per
18 resident daily fee shall be the same amount for each affected
19 facility, except as prescribed in subsection (d)(2).

20 (d) In accordance with the redistribution method set forth
21 in title 42 Code of Federal Regulations section 433.68(e)(1) and
22 (2), the department shall seek a waiver of the broad-based and

5 sustainability fee at a lesser amount per resident day, as
6 follows:

7 (1) The department shall exempt the following nursing

1 (3) The department, with agreement by the nursing facility
2 trade associations located in Hawaii, may modify, add
3 to, or reduce the categories of facilities exempt from

6 Medicaid Services, if the modification is consistent
7 with the purposes of this chapter.

8 § -6 **Nursing facility sustainability fee assessment.**

9 (a) Nursing facilities shall pay the nursing facility
10 sustainability fee to the nursing facility sustainability
11 program special fund in accordance with this chapter.

14 rate prospectively for the applicable fiscal year.

15 (c) The department shall collect and each nursing facility
16 shall pay in twelve equal installments the nursing facility
17 sustainability fee in section -5 on a monthly basis, subject
18 to the terms of this section. The fee shall be due within
19 thirty days after the end of each month, with the initial
20 payment due on the later of July 31, 2012, or forty-five days

15 full amount of the nursing facility sustainability fee when due,
16 there shall be added to the fee, unless waived by the department
17 for reasonable cause, a penalty equal to two per cent of the fee
18 that was not paid when due. Any subsequent payments shall be
19 credited first to unpaid fee amounts rather than to penalty or
20 interest amounts, beginning with the most delinquent
21 installment.

1 (b) In addition to the penalty identified in this section,
2 the department may seek any of the following remedies for
3 failure of any nursing facility to pay its fee when due:

4 (1) Withholding any medical assistance reimbursement
5 payments until such time as the fee amount is paid in
6 full;

7 (2) Suspension or revocation of the nursing facility
8 license; or

9 (3) Development of a plan that requires the nursing
10 facility to pay any delinquent fee in installments.

11 § -10 **Enhanced rates to [~~QUEST expanded access~~] medicaid**
12 **managed care health plans**. In accordance with title 42 Code of
13 Federal Regulations section 438, the department shall use

17 for the state fiscal year [~~2012-2013~~] 2013-2014 consistent with
18 the following objectives:

19 (1) The rate enhancement shall be used exclusively for

21 facilities to support the availability of services and

1 to ensure access to care to [~~QUEST expanded access~~]
2 medicaid managed care health plan enrollees;

3 (2) The rate enhancement shall be made part of the monthly
4 capitated rates by the department to [~~the QUEST~~
5 ~~expanded access~~] medicaid managed care health plans,
6 which shall provide documentation to the department
7 and the nursing facility trade associations located in
8 Hawaii certifying that the revenues received under
9 paragraph (1) are used in accordance with this
10 section;

11 (3) The rate enhancement shall be actuarially sound and
12 approved by the federal government for federal fund
13 participation; and

14 (4) The department shall modify the fee-for-service
15 reimbursement rates of the nursing facilities to
16 recognize the medicaid portion of the nursing facility
17 sustainability fee as an additional cost of serving
18 medicaid patients, and to provide a uniform percentage
19 increase in pre-existing facility-specific rates.

20 § -11 **Payment of rate enhancement.** The rate
21 enhancements referred to in section -10 shall be retroactive
22 to the effective date of this legislation. Retroactive rate

1 enhancements shall be paid within thirty days of notification by
2 the Centers for Medicare and Medicaid Services to the department

11 or any other state official by any other statutory provisions
12 relating to the allocation or reallocation of funds.

13 § -13 **Termination.** (a) Collection of the nursing
14 facility sustainability fee under section -5 shall be
15 discontinued if:

17 rates in section -10 have not been approved by the
18 Centers for Medicare and Medicaid Services;
- 19 (2) The department reduces funding for nursing facility
20 services below the state appropriation in effect on
21 June 30, [~~2012~~] 2013;

1 (3) The department or any other state agency uses the
2 money in the special fund for any use other than the
3 uses permitted pursuant to this chapter; or

4 (4) Federal financial participation to match the nursing
5 facility sustainability fee becomes unavailable under
6 federal law. In such case, the department shall
7 terminate the collection of the fee beginning on the
8 effective date of the federal statutory, regulatory,
9 or interpretive change.

10 (b) If collection of the nursing facility sustainability
11 fee is discontinued as provided in this section, any remaining
12 money in the special fund shall be returned to the nursing
13 facilities from which the fee was collected within thirty days
14 in the same proportions as received from the nursing facilities.

15 § -14 Severability. If any provision of this chapter or
16 the application thereof to any person or circumstance is held
17 invalid, the invalidity shall not affect other provisions or
18 applications of the chapter which can be given effect without
19 the invalid provision or application, and to this end the
20 provisions of this chapter are severable.""
