S.B. NO. 240

Report Title:

Department of Education; Department of Health; Health Aides

Description:

Requires the department of health, in consultation with the University of Hawaii school of nursing and dental hygiene, to provide training and clinical direction to school health aides. Repeals section 302A-708, HRS, which requires the department of education to provide career pathways development and training opportunities to school health aides in the department's school health services field.
