# A BILL FOR AN ACT

RELATING TO CYBERSECURITY.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that implementing  
2 effective cybersecurity measures is a challenge faced by all  
3 states. The legislature also finds that coordinating the  
4 resources of the department of defense, the University of  
5 Hawaii, and the office of information technology will help to  
6 create educational programs to improve cybersecurity in the  
7 State and develop responses to cyber-attacks.

8           The purpose of this Act is to establish the Hawaii  
9 cybersecurity, economic, education, and infrastructure security  
10 council to recommend improvements to the State's cybersecurity  
11 and to develop methods for securing federal moneys to fund other  
12 cybersecurity improvements.

13           SECTION 2. (a) There is established the Hawaii  
14 cybersecurity, economic, education, and infrastructure security  
15 council within the office of information technology for  
16 administrative purposes.

17           (b) The council shall be composed of the following six  
18 members or their designees:

- 1           (1) The chief information officer, who shall serve as the  
2           chair;
- 3           (2) The director of business, economic development, and  
4           tourism;
- 5           (3) The adjutant general;
- 6           (4) The chair of the University of Hawaii department of  
7           information and computer sciences;
- 8           (5) A member of a private institution of higher learning  
9           with knowledge of cybersecurity to be selected by the  
10          chief information officer; and
- 11          (6) The vice president for military affairs of the chamber  
12          of commerce of Hawaii.
- 13          (c) The members of the council shall serve without  
14          compensation and shall not be reimbursed for expenses incurred  
15          in the performance of their duties.
- 16          (d) The council shall:
- 17           (1) Meet at least quarterly; and
- 18           (2) Develop methods for:
- 19           (A) Improving the State's cybersecurity by using  
20           existing resources;

1 (B) Improving the State's cybersecurity operations  
2 through partnerships with private businesses,  
3 government, and institutions of higher education;

4 (C) Examining specific actions to accelerate the  
5 growth of cybersecurity as an industry in the  
6 State;

7 (D) Securing federal moneys for cybersecurity  
8 activities and related educational programs; and

9 (E) Partnering with the United States Pacific Command  
10 and other military organizations to implement  
11 infrastructure protection and redundancies and to  
12 prevent cyber-attacks, warfare, and terrorism.

13 (e) The council may request the assistance of other  
14 departments to carry out its duties.

15 (f) The council shall submit a report of its findings,  
16 recommendations, and proposed legislation to the legislature, no  
17 later than twenty days prior to the convening of the regular  
18 session of 2015.

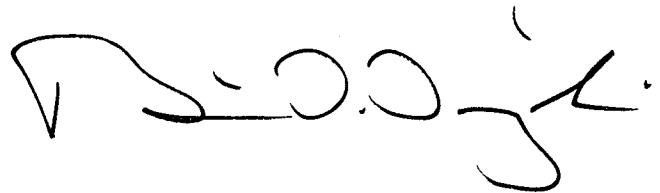

19 (g) For the purposes of this Act, "council" shall mean the  
20 Hawaii cybersecurity, economic, education, and infrastructure  
21 security council.

1 SECTION 3. This Act shall take effect on July 1, 2014;  
2 provided that the council shall be dissolved on June 30, 2016.
