RELATING TO OPEN CARRY LICENSE OF FIREARMS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1 SECTION 1. Chapter 134, Hawaii Revised Statutes, is  
2 amended by adding a new section to be appropriately designated  
3 and to read as follows:  
4 "§134- License to openly carry a firearm. (a) The  
5 chiefs of police of the various counties shall issue licenses to  
6 openly carry firearms to persons qualified as provided in this  
7 section. These licenses shall be valid statewide for a period  
8 of three years. Each license shall bear a color photograph of  
9 the licensee. Any person in compliance with the terms of the  
10 license may openly carry a firearm. The licensee shall carry  
11 the license, together with valid identification, at all times in  
12 which the licensee is in actual possession of a firearm and  
13 shall display both the license and proper identification upon  
14 demand by a law enforcement officer. A violation of this  
15 subsection shall constitute a petty misdemeanor, provided that  
16 the maximum term of imprisonment shall be three days, and the  
17 maximum fine shall be \$500.

18

1        For the purposes of this section, "to openly carry a  
2 firearm" means a firearm that is a pistol or a revolver, and  
3 that is holstered in such a manner that two to three inches of  
4 the holster are visible, and the holstered firearm is not  
5 covered or enclosed so an observer cannot determine that it is a  
6 handgun without removing it from that which covers or encloses  
7 it or without opening, lifting, or removing that which covers or  
8 encloses it; and the term does not include an assault pistol or  
9 automatic firearm as defined in section 134-1.

10        (b) The appropriate chief of police shall issue a license  
11 if the applicant:

12        (1) Is a citizen of the United States;

13        (2) Has resided in the State for at least six months or is  
14 a member of, or spouse of a member of, the military  
15 stationed in the State, or a retired law enforcement  
16 officer;

17        (3) Is twenty-three years of age or older;

18        (4) Is not ineligible to possess a firearm pursuant to  
19 section 134-7;

21 the training requirements of section 134-2(g), to  
22 include practical training in drawing and replacing a

1 handgun from and to a holster. A photocopy of an  
2 affidavit from the certified instructor or standard  
3 government form from the government agency providing  
4 said training, attesting to the successful completion  
5 of the training, shall constitute evidence of  
6 qualification under this paragraph;

7 (6) Does not chronically and habitually use intoxicating  
8 liquor or other substances to the extent that the  
9 person's normal faculties are impaired. It shall be  
10 presumed that an applicant chronically and habitually  
11 uses intoxicating liquor or other substances to the  
12 extent that the person's normal faculties are impaired  
13 if the applicant:

14 (A) Has been committed under the substance abuse  
15 provisions of chapter 334;

16 (B) Has been convicted of any offense relating to  
17 dangerous, harmful, or detrimental drug,  
18 intoxicating compound or liquor, or marijuana  
19 under part IV of chapter 712;

20 (C) Has been deemed a habitual offender under section  
21 291E-61.5; or

- 1           (D) Has had two or more convictions under section  
2                   291E-61, or similar laws of any other state,  
3                   within the three-year period immediately  
4                   preceding the date on which the application is  
5                   submitted;
- 6           (7) Desires a legal means to openly carry a firearm for  
7                   lawful purposes;
- 8           (8) Has not been adjudicated an incapacitated person as  
9                   defined under section 554B-1 or 560:5-102, or similar  
10                  laws of any other state, unless five years have  
11                  elapsed since the applicant's restoration to capacity  
12                  by court order;
- 13           (9) Has not been committed to a mental institution under  
14                  chapter 334, or similar laws of any other state,  
15                  unless the applicant produces a certificate from a  
16                  licensed psychiatrist that the applicant has not  
17                  suffered from disability for at least five years prior  
18                  to the date of submission of the application, and is  
19                  highly unlikely to relapse; and
- 20           (10) Has not had adjudication of guilt withheld or  
21                  imposition of sentence suspended on any felony, unless  
22                  three years have elapsed since probation or any other

1           conditions set by the court have been fulfilled, or  
2           the record has been sealed or expunged.

3           (c) The appropriate chief of police may deny a license if  
4           the applicant has been found guilty of one or more crimes of  
5           violence constituting a misdemeanor, unless three years have  
6           elapsed since probation or any other conditions set by the court  
7           have been fulfilled, or the record has been sealed or expunged.  
8           The chief of police may deny a license if the applicant has been  
9           found guilty of one or more crimes of violence constituting a  
10           felony, unless the record has been expunged. The chief of  
11           police may revoke a license if the licensee has been found  
12           guilty of one or more misdemeanor or felony crimes of violence  
13           within the preceding three years, and shall revoke the license  
14           if so ordered by the court. The chief of police, upon  
15           notification by a law enforcement agency, a court, or the  
16           attorney general, and subsequent written verification, shall  
17           suspend a license or the processing of an application for a  
18           license if the licensee or applicant is arrested or formally  
19           charged with a crime that would disqualify the person from  
20           having a license under this section, until final disposition of  
21           the case.

1        (d) The application shall be completed, under oath, on a  
2 form prescribed by the attorney general, which shall be uniform  
3 throughout the State, and shall include:

4        (1) The name, address, place and date of birth, race, and  
5 occupation of the applicant;

6        (2) A statement that the applicant is in compliance with  
7 criteria contained within subsection (b), and that the  
8 applicant is not subject to license denial,  
9 suspension, or revocation under subsection (c);

10       (3) A statement that the applicant has been furnished a  
11 copy of this chapter and any applicable administrative  
12 rules, and is knowledgeable of its provisions;

13       (4) A conspicuous warning that the application is executed  
14 under oath and that a false answer to any question, or  
15 the submission of any false document by the applicant,  
16 subjects the applicant to criminal prosecution under  
17 section 134-17(a); and

18       (5) A statement that the applicant desires an open carry  
19 firearm license for lawful purposes.

20       (e) The applicant shall submit to the appropriate chief of  
21 police:

- 1        (1) A completed application in accordance with subsection  
2                    (d);
- 3        (2) A nonrefundable license fee not to exceed \$100, if the  
4                    applicant has not previously been issued a license, or  
5                    a nonrefundable license fee not to exceed \$50 for  
6                    renewal of a license. If any individual described in  
7                    section 134-11(a) (1) or (4) wishes to receive an open  
8                    carry firearm license, the person is exempt from the  
9                    background investigation and all background  
10                   investigation fees, but shall pay the current license  
11                   fees regularly required to be paid by nonexempt  
12                   applicants; provided further that the person is exempt  
13                   from the required fees and background investigation  
14                   for a period of one year subsequent to the date of  
15                   retirement of the person;
- 16        (3) A full set of fingerprints of the applicant  
17                   administered by a law enforcement agency. Costs for  
18                   processing the set of fingerprints shall be borne by  
19                   the applicant;
- 20        (4) A photocopy of a certificate or an affidavit or  
21                   document as described in subsection (b) (5); and

1       (5) A full frontal view color photograph of the applicant  
2       taken within the preceding thirty days, in which the  
3       head, including hair, measures seven-eighths of an  
4       inch wide and one and one-eighth of an inch high.

5       (f) The appropriate chief of police, upon receipt of the  
6       items listed in subsection (e), shall forward within three  
7       working days the full set of fingerprints of the applicant to  
8       the attorney general and the Federal Bureau of Investigation for  
9       state and federal processing; provided the federal service is  
10       available. The cost of processing the fingerprints shall be  
11       borne by the applicant and shall be payable to the processing  
12       agency.

13       The county police department shall provide fingerprinting  
14       service, if requested by the applicant, and may charge a fee not  
15       to exceed \$5 for this service.

16       The appropriate county chief of police, within forty-five  
17       days after the date of receipt of the items listed in subsection  
18       (e), shall:

19       (1) Issue the license;

20       (2) Deny the application based solely on the ground that  
21       the applicant fails to qualify under subsection (b) or  
22       (c). Upon a denial of the application, the chief of

1           police shall notify the applicant in writing, stating  
2           the grounds for denial and informing the applicant of  
3           any right to a hearing pursuant to subsection (k); or

4           (3) Suspend the time limitation prescribed by this  
5           paragraph if the chief of police receives criminal  
6           history information with no final disposition on a  
7           crime that may disqualify the applicant until receipt  
8           of the final disposition or proof of restoration of  
9           civil and firearm rights.

10           If a legible set of fingerprints, as determined by the  
11           attorney general or the Federal Bureau of Investigation, cannot  
12           be obtained after two attempts, the attorney general shall  
13           determine eligibility based upon name checks conducted by the  
14           criminal justice data center.

15           If the appropriate county chief of police fails to issue or  
16           deny the license within forty-five days after the date of  
17           receipt of the items listed in subsection (e) or within such  
18           further time limits as this subsection allows, the application  
19           shall be deemed denied and the applicant shall have the right to  
20           a hearing as provided in subsection (k).

21           (g) The attorney general shall maintain an automated  
22           listing of license holders and pertinent information, which

1 shall be available on the internet, upon request, at all times  
2 to all law enforcement agencies through the criminal justice  
3 data center.

4 (h) Within thirty days after the changing of a permanent  
5 address, or within thirty days after having a license lost or  
6 destroyed, the licensee shall notify the appropriate chief of  
7 police of the change or loss. Failure to notify the appropriate  
8 chief of police pursuant to this subsection shall constitute a  
9 noncriminal violation with a penalty of a \$25 fine.

10 (i) If an open carry firearm license is lost or destroyed,  
11 the license shall be automatically invalid, and the person to  
12 whom the license was issued, upon payment of \$15 to the  
13 appropriate chief of police, may obtain a duplicate, or  
14 substitute thereof, upon furnishing a notarized statement to the  
15 chief of police that the license has been lost or destroyed.

16 (j) A license issued under this section shall be suspended  
17 or revoked by the chief of police if the licensee is found to be  
18 or subsequently becomes ineligible under the criteria set forth  
19 in subsection (b) or (c).

20 (k) Any person denied a license, or who has a license  
21 suspended or revoked under this section shall have the right to  
22 a hearing on the denial, suspension, or revocation, subject to

1 the requirements for contested cases and judicial review under  
2 chapter 91.

3 (1) Not less than ninety days prior to the expiration date  
4 of the license, the appropriate county chief of police shall  
5 mail to each licensee a written notice of the expiration and a  
6 renewal form prescribed by the attorney general, which shall be  
7 uniform throughout the State. The licensee must renew the  
8 license, on or before the expiration date, by filing with the  
9 appropriate county chief of police the renewal form containing:  
10 a notarized affidavit stating that the licensee remains  
11 qualified pursuant to the criteria specified in subsections (b)  
12 and (c); a color photograph as specified in subsection (e)(5);  
13 and the required renewal fee. The license shall be renewed upon  
14 receipt of the completed renewal form, color photograph,  
15 appropriate payment of fees, and, if applicable, a completed  
16 fingerprint card. A licensee who fails to file a renewal  
17 application on or before its expiration date shall renew the  
18 license by paying a late fee of \$15. No license shall be  
19 renewed six months or more after its expiration date, and the  
20 license shall be deemed to be permanently expired. A person  
21 whose license has permanently expired may reapply for licensure;  
22 however, an application for licensure and fees pursuant to

1 subsection (e) shall be submitted, and a background  
2 investigation shall be conducted pursuant to this section.  
3 Persons who knowingly file false information pursuant to this  
4 subsection shall be subject to criminal prosecution under  
5 section 134-17(a).

6 (m) No license issued pursuant to this section shall  
7 authorize any person to openly carry a firearm into any:

- 18 (7) Meeting of the governing body of a county or other

10 and may be eligible to acquire a firearm under this chapter, the  
11 issuing authority shall perform an inquiry on the applicant, by
