
A BILL FOR AN ACT

RELATING TO ECONOMIC DEVELOPMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 206M, Hawaii Revised Statutes, is
2 amended by adding a new part to be appropriately designated and
3 to read as follows:

4 **"PART . CREATIVE FILM AND MEDIA PARK**

5 **§206M- Purpose.** The legislature finds that the State's
6 production resources and educational programs, including the
7 ongoing development of the University of Hawaii at West Oahu and
8 the Searider productions program at Waianae high school, provide
9 a genuine opportunity to foster a film production industry that
10 benefits the State and the community. The influx of film
11 companies has also reinvigorated this sector of the State's
12 economy. If a geographic area is dedicated for a film and media
13 park to promote growth in the business of creative media and
14 film, high school graduates who studied in programs such as the
15 Searider productions program would have an opportunity to obtain
16 employment in their field within the State.

17 A creative film and media park would attract international
18 investments in film and media production that would enable the

1 creation of facilities and employment and the development of
2 workforce housing.

3 The purpose of this part is to establish a creative film
4 and media park.

5 **§206M- Creative film and media park; established.** There
6 is established a creative film and media park that shall include
7 properties in west Oahu identified by the following tax map key
8 numbers: 91016179, 91016180, 91016181, 91016183, 91017095,
9 91017096, 91017097, 91017098, 91017099, 91017110, 91018005, and
10 91018008. The park shall be administered by the board.

11 **§206M- Purpose of the creative film and media park.** The
12 purpose of the creative film and media park shall be to
13 facilitate economic growth of the creative film and media
14 industry by locating film and media entities in a designated
15 geographic hub. A centralized locale of entities stimulates and
16 promotes innovation and attracts start-up companies to also
17 locate in the hub.

18 **§206M- Guidelines.** (a) The board shall develop the
19 creative film and media park in consultation with the state film
20 office, Hawaii housing and finance development corporation,
21 University of Hawaii at West Oahu, and department of education.

1 (b) The board shall coordinate any planning and designs of
2 the park with the University of Hawaii at West Oahu."

3 SECTION 2. Section 206M-2, Hawaii Revised Statutes, is
4 amended by amending subsection (a) to read as follows:

5 "(a) There is established the high technology development
6 corporation, which shall be a public body corporate and politic
7 and an instrumentality and agency of the State. The development
8 corporation shall be placed within the department of business,
9 economic development, and tourism for administrative purposes,
10 pursuant to section 26-35. The purpose of the development
11 corporation shall be to facilitate the growth and development of
12 the commercial high technology industry in Hawaii. Its duties
