
A BILL FOR AN ACT

RELATING TO ECONOMIC DEVELOPMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 206M, Hawaii Revised Statutes, is
2 amended by adding a new part to be appropriately designated and
3 to read as follows:

4 **"PART . CREATIVE FILM AND MEDIA PARK**

5 **§206M-** **Purpose.** The legislature finds that the State's
6 production resources and educational programs, including the
7 ongoing development of the University of Hawaii at West Oahu and
8 the Searider productions program at Waianae high school, provide
9 a genuine opportunity to foster a film production industry that
10 benefits the State and the community. The influx of film
11 companies has also reinvigorated this sector of the State's
12 economy. If a geographic area is dedicated for a film and media
13 park to promote growth in the business of creative media and
14 film, high school graduates who studied in programs such as the
15 Searider productions program would have an opportunity to obtain
16 employment in their field within the State.

17 A creative film and media park would attract international
18 investments in film and media production that would enable the

1 creation of facilities and employment and the development of
2 workforce housing. Further, a centralized locale of entities
3 will stimulate and promote innovation and attract start-up
4 companies to also locate in the hub.

5 The purpose of this part is to establish a creative film
6 and media park.

7 **§206M- Creative film and media park; established.**

12 91018005, and 91018008. The park shall be administered by the
13 board.

14 **§206M- Purpose of the creative film and media park.**

15 The purpose of the creative film and media park shall be to
16 facilitate economic growth of the creative film and media
17 industry by locating film and media entities in a designated
18 geographic hub.

9 and an instrumentality and agency of the State. The development
10 corporation shall be placed within the department of business,
