16 succeeding calendar year thereafter, the charges shall not
17 exceed one hundred ten per cent of fees prescribed in the

16 employer and a medical services provider regarding the amount of
17 a fee for medical services, the director may resolve the dispute
18 in a summary manner as the director may prescribe; provided that
19 a provider shall not charge more than the provider's private
20 patient charge for the service rendered.

21 When a dispute exists between an employee and the employer
22 or the employer's insurer regarding the proposed treatment plan

1 or whether medical services should be continued, the employee

4 the employee's condition or further injury until the director
5 issues a decision on whether the employee's medical treatment
6 should be continued. The director shall make a decision within
7 thirty days of the filing of a dispute. If the director
8 determines that medical services pursuant to the treatment plan
9 should be or should have been discontinued, the director shall
10 designate the date after which medical services for that
11 treatment plan are denied. The employer or the employer's

13 provider qualified pursuant to section 386-27, or from any other
14 appropriate occupational or non-occupational insurer, all the
15 sums paid for medical services rendered after the date
