
A BILL FOR AN ACT

RELATING TO ENHANCED 911 SURCHARGES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 138, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§138- Prepaid wireless E911 surcharge. (a) A prepaid
5 wireless E911 surcharge of cents shall be imposed on each
6 retail transaction of prepaid wireless telecommunications
7 service. The prepaid wireless E911 surcharge is the liability
8 of the consumer and not of the seller or provider.

9 (b) The prepaid wireless E911 surcharge shall be collected
10 by the seller from the consumer with respect to each retail
11 transaction occurring within the State. The amount of the
12 prepaid wireless E911 surcharge shall be separately listed on an
13 invoice, receipt, or other similar document that is provided to
14 the consumer by the seller; or otherwise disclosed to the
15 consumer.

16 (c) A retail transaction that is transacted in person by a
17 consumer at a seller's business location shall be treated as
18 occurring within the State if the business location is within

1 the State or for any retail transaction that is treated as
2 occurring in the State for purposes of the tax imposed pursuant
3 to section 237-13.8; provided that if no tangible personal
4 property is shipped and the billing address of the consumer or
5 the consumer's payment instrument is not known, the transaction
6 shall be sourced to the State if the consumer's mobile telephone
7 is associated with an address within the State.

8 (d) A seller may deduct and retain three per cent of
9 prepaid wireless E911 surcharges collected from consumers. The
10 seller shall remit the balance of prepaid wireless E911
11 surcharges collected from consumers, including all surcharges
12 collected where the amount of the surcharge has not been
13 separately stated on an invoice, receipt, or other similar
14 document provided to the consumer by the seller, to the
15 department. The department may require sellers to remit the
16 balance of the surcharges collected electronically and shall
17 establish registration and payment procedures.

18 (e) The amount of the prepaid wireless E911 surcharge that
19 is collected by a seller from a consumer, if the amount is
20 separately stated on an invoice, receipt, or other similar
21 document provided to the consumer by the seller, shall not be
22 included in the base for measuring any tax, fee, surcharge, or

1 other charge that is imposed by the State, any political
2 subdivision of the State, or any intergovernmental agency.

3 (f) If a minimal amount of prepaid wireless
4 telecommunications service is sold with a prepaid wireless
5 device for a single, non-itemized price, the seller may elect
6 not to apply the surcharge imposed in subsection (a) to the
7 transaction. For purposes of this subsection, a "minimal
8 amount" means service of ten minutes or less or \$5 or less.

9 (g) The audit and appeal procedures applicable to
10 retailers, pursuant to chapter 237, shall apply to prepaid
11 wireless E911 surcharges.

12 (h) The department shall establish procedures by which a
13 seller of prepaid wireless telecommunications service may
14 document that a sale is not a retail transaction, which
15 procedures shall coincide with the procedures for documenting
16 sale for resale transactions, pursuant to chapter 237.

17 (i) Within thirty days of receipt and for use in
18 accordance with the purposes of chapter 138, the department
19 shall transfer all remitted prepaid wireless E911 surcharges to
20 the enhanced E911 fund pursuant to section 138-3; provided that
21 the department may retain up to two per cent of the remitted

1 surcharges to cover the costs of administering the prepaid
2 wireless E911 surcharges.

3 (j) Section 138-9 shall apply to providers and sellers.

4 (k) No provider or seller shall be liable for damages to
5 any person resulting from or incurred in connection with the
6 provision of any lawful assistance to any investigative or law
7 enforcement officer of the United States or any political
8 subdivision, in connection with any lawful investigation or
9 other law enforcement activity by such law enforcement officer.

10 (l) The prepaid wireless E911 surcharge imposed by this
11 section shall be the only funding obligation imposed on prepaid
12 wireless telecommunications service in the State for enhanced
13 911 services. No other tax, fee, surcharge, or other charge for
14 enhanced 911 services shall be imposed by the State, any
15 political subdivision of the State, or any intergovernmental
16 agency, upon any provider, seller, or consumer with respect to
17 the sale, purchase, use, or provision of prepaid wireless
