
A BILL FOR AN ACT

RELATING TO THE PUBLIC UTILITIES COMMISSION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the public utilities
2 commission is undergoing a major transition due to increased
3 work complexity and program responsibilities, particularly in
4 the area of energy regulation. To ensure that the mission of
5 the public utilities commission is adequately supported, the
6 commission should be transferred from an administratively
7 attached agency of the department of budget and finance to an
8 administratively attached agency of the department of commerce
9 and consumer affairs, which can provide the commission with the
10 additional administrative support and resources it needs.

11 The legislature further finds that the chair and other
12 commissioners of the public utilities commission have not
13 received a raise since 2005. Since that time, the duties and
14 workload of the chair and commissioners have significantly
15 increased. The legislature concludes that raising the
16 compensation for the chair and the commissioners is a proper
17 acknowledgment of the commission's increased workload and the
18 additional time the chair and commissioners must invest to

1 complete their duties. An increase in compensation will also
2 ensure that the salaries of the chair and commissioners remain
3 competitive with other states' public utilities commissions.

4 The legislature additionally finds that the chair of the
5 commission is in need of an executive officer to assist with
6 managing the operations of the commission. Hiring of an
7 executive officer in charge of management and recruitment of
8 personnel, budget planning and implementation, strategic
9 planning and implementation, contract administration, and
10 implementation of administrative programs and projects will
11 enable the chair of the commission to focus on the growing
12 number and increasingly technical complexity of issues brought
13 before the commission.

14 The legislature also finds that the division of consumer
15 advocacy of the department of commerce and consumer affairs
16 protects and advances the interests of Hawaii's consumers of
17 regulated public utilities. The executive director and staff
18 members of the division of consumer advocacy attend public
19 hearings held by the public utilities commission to get input
20 from the public, which helps them to better understand the
21 consumer's perspective on utility services and rates. Because
22 this understanding is an integral part of the division's work,

1 the legislature concludes that the executive director of the
2 division of consumer advocacy, rather than the director of
3 commerce and consumer affairs, should be the consumer advocate
4 in hearings before the public utilities commission.

5 The purpose of this Act is to adequately support the
6 mission of the public utilities commission, ensure the efficient
7 operation of the public utilities commission, and ensure
8 important decisions relating to public utilities continue to be
9 made in the public interest by:

- 10 (1) Specifying that the public utilities commission is an
11 autonomous agency of the State to be transferred from
12 the department of budget and finance and assigned, for
13 administrative purposes only, to the department of
14 commerce and consumer affairs;
- 15 (2) Increasing the compensation of the chair and
16 commissioners of the public utilities commission;
- 17 (3) Clarifying the public utilities commission's authority
18 concerning standard administrative practices,
19 including operational expenditures and the hiring of
20 personnel;

- 1 (4) Enabling the chair of the public utilities commission
2 to appoint and employ an executive officer to assist
3 with managing the operations of the commission;
- 4 (5) Specifying that the executive director of the division
5 of consumer advocacy, rather than the director of
6 commerce and consumer affairs, shall be the consumer
7 advocate in hearings before the public utilities
8 commission; and
- 9 (6) Appropriating funds for the hiring of an executive
10 officer within the public utilities commission.

11 SECTION 2. Section 26-8, Hawaii Revised Statutes, is
12 amended by amending subsection (d) to read as follows:

13 "(d) The [~~employees~~] employees' retirement system as
14 constituted by chapter 88 is placed within the department of
15 budget and finance for administrative purposes. The functions,
16 duties, and powers, subject to the administrative control of the
17 director of finance, and the composition of the board of
18 trustees of the employees retirement system shall be as
19 heretofore provided by law.

20 [~~The public utilities commission is placed within the~~
21 ~~department of budget and finance for administrative purposes~~
22 ~~only.] "~~

18 furtherance of the purpose of this section including but not

20 shall be placed within the department of commerce and consumer

1 The public utilities commission shall be an autonomous

1 SECTION 5. Section 269-3, Hawaii Revised Statutes, is
2 amended to read as follows:

3 **"§269-3 Employment of assistants.** (a) The chairperson of
4 the public utilities commission may appoint and employ
5 professional staff and other assistants for the public utilities
