
SENATE CONCURRENT RESOLUTION

REQUESTING A FINANCIAL AND MANAGEMENT AUDIT OF THE HAWAII
COMMUNITY DEVELOPMENT AUTHORITY.

1 WHEREAS, the Legislature established the Hawaii Community
2 Development Authority in 1976 as a public entity to determine
3 community development programs and--in cooperation with private
4 enterprise and federal, state, and county governments--to plan
5 and implement programs that result in communities that serve the
6 highest needs and aspirations of Hawaii's people; and

7
8 WHEREAS, to ensure that a comprehensive and coordinated
9 plan is executed with and for the community, the Authority is
10 explicitly required to promote community engagement in community
11 development plans and development projects; and

12
13 WHEREAS, in the 37 years since its creation, the Authority
14 has not met the standards for creating a mixed-use, mixed-income
15 community and has instead liberally interpreted its requirements
16 and rules without accountability or transparency to the
17 detriment of the community; and

18
19 WHEREAS, although the need for affordable housing in
20 Honolulu has reached its peak, the Authority has added only a
21 limited amount of affordable housing in its development
22 districts and has set affordable housing prices and eligibility
23 criteria for affordable housing at a higher income level than
24 both the Legislature and the United States Department of Housing
25 and Urban Development; now, therefore,

26

28 Legislature of the State of Hawaii, Regular Session of 2014, the
29 House of Representatives concurring, that the Auditor is
