## SENATE RESOLUTION

---

RECOGNIZING AND HONORING THE LATE HAWAII DEPARTMENT OF HEALTH  
DIRECTOR LORETTA JEAN DELIANA ANTONE FUDDY, ACSW, MPH, FOR  
PROMOTING THE HEALTH AND WELL-BEING OF THE PEOPLE OF  
HAWAII.

1           WHEREAS, the State of Hawaii takes pride in recognizing and  
2 honoring the notable contributions of exceptional individuals in  
3 our community who seek to promote the health and well-being of  
4 the people in our communities; and

5  
6           WHEREAS, Director Fuddy received numerous awards for her  
7 selfless work and tireless efforts in supporting children and  
8 the homeless, and combatting substance abuse, including the  
9 Hawaii Outstanding Advocate for Children and Youth Award, the  
10 Department of Health Sustained Superior and Exemplary  
11 Performance Award, the National Association of Social Workers  
12 Hawaii Chapter Lifetime Achievement Award, Ford Foundation -  
13 Innovations in American Government Award, National Committee to  
14 Prevent Child Abuse Award, Pro Humanitate Literary Award -  
15 Center for Child Welfare Policy, and Director's Award - Maternal  
16 & Child Health Bureau, United States Health Resources and  
17 Services Administration; and

18  
19           WHEREAS, Director Fuddy devoted over thirty years of  
20 service to the people of Hawaii in all levels of government  
21 leadership, including serving as Mayor of Kalawao; and

22  
23           WHEREAS, Director Fuddy made significant professional  
24 contributions throughout her career, having served as Chair and  
25 Ex-officio Director of the Hawaii Public Health Association,  
26 President of the Association of State and Territorial Public  
27 Health Social Workers, Treasurer and Secretary of the  
28 Association of Maternal and Child Health Programs, and on the  
29 Policy Committee of the Association of State and Territorial  
30 Health Officials; and

31  
32           WHEREAS, Director Fuddy also made significant contributions  
33 to building the capacity of the public health workforce, and
