Your Committee notes that Mr. Murayama has over three decades of experience in the architectural field and is professionally licensed in California and Hawaii. Mr. Murayama is the Owner and Director of KYA Design Group, Inc., and has worked on a variety of significant architectural projects, including private sector and government buildings, throughout his career. RICHARD SUZUKI

Your Committee received testimony in support of the nomination of Richard Suzuki from the Department of Commerce and Consumer Affairs and two individuals.

Upon review of the testimony, your Committee finds that Mr. Suzuki's professional background, experience, and dedication to public service qualify him for appointment to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects as a civil engineer member. Your Committee notes that Mr. Suzuki has been licensed in Hawaii as a civil engineer since 1969 and has held positions of responsibility with the State of Hawaii, City and County of Honolulu, and URS Corporation. Mr. Suzuki has remained active in local and national associations, including the National Council of Examiners for Engineers and Surveyors, in an effort to improve the quality of his profession. Mr. Suzuki is also familiar with board procedures and protocol by virtue of his prior experience serving on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects. Your Committee further finds that Mr. Suzuki is well-qualified to serve on the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects and recommends that Mr. Suzuki be appointed to the Board based on his knowledge, experience, and desire to contribute to his profession and his community.

As affirmed by the records of votes of the members of your Committee on Commerce and Consumer Protection that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.
