Honolulu, Hawaii

RE: H.B. No. 1130  
H.D. 1

Honorable Joseph M. Souki  
Speaker, House of Representatives  
Twenty-Seventh State Legislature  
Regular Session of 2013  
State of Hawaii

Sir:

Your Committee on Health, to which was referred H.B. No. 1130  
entitled:

"A BILL FOR AN ACT RELATING TO THE HAWAII HEALTH SYSTEMS  
CORPORATION,"

begs leave to report as follows:

The purpose of this measure is to improve accountability in  
the health care system, support clear and consistent roles for all  
regional systems, and create a more balanced multi-board tiered  
system by replacing the membership of the five regional chief  
executive officers on the Hawaii Health Systems Corporation (HHSC)  
Board of Directors with community members who are appointed by  
their respective county mayors.

Two individuals supported this measure. The Hawaii  
Government Employees Association supported the intent of this  
measure. HHSC opposed this measure. The Department of Budget and  
Finance commented on this measure.

Your Committee has amended this measure by:

- (1) Making the five regional chief executive officers on the  
HHSC Board of Directors, ex officio, nonvoting members  
instead of ex officio, voting members;

HB1130 HD1 HSCR HLT HMS 2013-1866-1

- (2) Changing the appointing authority of the five new regional system board members who serve on the HHSC Board of Directors, from the respective county mayors to the governor;
- (3) Emphasizing the statewide role of the HHSC in the purpose section; and
- (4) Making technical, nonsubstantive amendments for clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1130, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1130, H.D. 1, and be placed on the calendar for Third Reading.

Respectfully submitted on  
behalf of the members of the  
Committee on Health,

---
