

STAND. COM. REP. NO. **3316**

Honolulu, Hawaii

APR 04 2014

RE: H.B. No. 2003
H.D. 1
S.D. 1

Honorable Donna Mercado Kim
President of the Senate
Twenty-Seventh State Legislature
Regular Session of 2014
State of Hawaii

Madam:

Your Committee on Ways and Means, to which was referred H.B. No. 2003, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO CYBERSECURITY,"

begs leave to report as follows:

The purpose and intent of this measure is to appropriate funds to the Department of Defense to establish a Hawaii cybersecurity, economic, education, and infrastructure security coordinator position to coordinate efforts on and recommend improvements to the State's cybersecurity and cyber resiliency.

In addition, this measure requires the cybersecurity, economic, education, and infrastructure security coordinator to define requirements for securing state, federal, and private moneys to fund cybersecurity improvements.

The Department of Defense, Hawaii State Office of Information Management and Technology, and Oceanit provided testimony in support of this measure.

Your Committee finds that coordination and collaboration is needed between government agencies, the University of Hawaii, and the private and public sector to improve cybersecurity and cyber resiliency in the State and to develop effective responses to cyber-attacks. Innovative advancements in technology have provided new and convenient ways to store sensitive information and data in cyberspace but have also spawned new types of security

threats and intrusion. Any compromise or unauthorized use of the valuable and sensitive information stored in cyberspace may significantly disrupt critical operations and render the State and its agencies vulnerable to cyber-attacks. Your Committee believes that this measure will improve cybersecurity and cyber resiliency by ensuring that any cyber threat or attack is met with a timely and coordinated response.

Your Committee has amended this measure by:

- (1) Clarifying that the cybersecurity, economic, education, and infrastructure security coordinator position is established in Chapter 128, Hawaii Revised Statutes;
- (2) Changing the effective date to July 1, 2050, to facilitate further discussion on the measure; and
- (3) Making technical nonsubstantive changes for purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 2003, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 2003, H.D. 1, S.D. 1, and be placed on the calendar for Third Reading.

Respectfully submitted on
behalf of the members of the
Committee on Ways and Means,

DAVID Y. IGE, Chair

The Senate
 Twenty-Seventh Legislature
 State of Hawai'i
