

STAND. COM. REP. NO. 3488

Honolulu, Hawaii

APR 21 2014

RE: H.C.R. No. 110
H.D. 2
S.D. 1

Honorable Donna Mercado Kim
President of the Senate
Twenty-Seventh State Legislature
Regular Session of 2014
State of Hawaii

Madam:

Your Committee on Ways and Means, to which was referred
H.C.R. No. 110, H.D. 2, S.D. 1, entitled:

"HOUSE CONCURRENT RESOLUTION REQUESTING THE DIRECTOR OF
BUSINESS, ECONOMIC DEVELOPMENT, AND TOURISM TO ESTABLISH A
WORKING GROUP TO RECOMMEND LEGISLATION OR CHANGES TO
ADMINISTRATIVE RULES TO DEVELOP CONTRACTUAL OBLIGATIONS
BETWEEN THE STATE AND WIRELESS TELECOMMUNICATION SERVICE
PROVIDERS AS TO THE USE OF PUBLIC LANDS FOR WIRELESS
TELECOMMUNICATION INFRASTRUCTURE,"

begs leave to report as follows:

The purpose and intent of this measure is to request the
Director of Business, Economic Development, and Tourism to
establish a working group to develop standard contractual
provisions for the use of state public lands for wireless
telecommunication hardware devices.

This measure also requests the working group to explore ways
to expedite the permit process for communication technology
serving the State.

Your Committee received no written comments on this measure.

Your Committee finds that state agencies independently
establish and develop protocols for the use of wireless
telecommunication services, resulting in ambiguous and disparate
contracts. Establishing a working group to establish a predefined

HCR110 SD1 SSCR LRB 14-2519.doc

framework for wireless telecommunication service provider contracts will increase government efficiency, establish revenue predictability for the State, reduce risk for all parties, and promote business.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 110, H.D. 2, S.D. 1, and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Ways and Means,

DAVID Y. IGE, Chair
