

Honolulu, Hawaii

APR 12 2013

RE: S.C.R. No. 74  
S.D. 1

Honorable Donna Mercado Kim  
President of the Senate  
Twenty-Seventh State Legislature  
Regular Session of 2013  
State of Hawaii

Madam:

Your Committee on Ways and Means, to which was referred  
S.C.R. No. 74, S.D. 1, entitled:

"SENATE CONCURRENT RESOLUTION URGING THE INVASIVE SPECIES  
COUNCIL TO DEVELOP AND IMPLEMENT A COMPREHENSIVE INTERAGENCY  
PLAN FOR THE CONTROL AND ERADICATION OF ALBIZIA THROUGHOUT  
THE STATE; STARTING WITH THE ISLAND OF HAWAII, AND TO PARTNER  
TO UTILIZE ALBIZIA TREES THAT ARE REMOVED AND URGING THE  
DEPARTMENT OF AGRICULTURE TO INVESTIGATE BIOCONTROL AGENTS  
FOR THE CONTROL OF ALBIZIA,"

begs leave to report as follows:

The purpose and intent of this measure is to address the  
rapid spread of Albizia trees in the State.

Specifically, this measure:

- (1) Urges the Invasive Species Council to:
  - (A) Develop and implement a comprehensive interagency plan for the control and eradication of Albizia throughout the State, starting with the island of Hawaii; and
  - (B) Find partners to utilize the Albizia trees that are removed; and
- (2) Urges the Department of Agriculture to investigate biocontrol agents for the control of Albizia.

Your Committee received written comments in support of this measure from the Hawaii Electric Light Company and three private individuals.

Your Committee finds that the Albizia tree is native to the South Pacific and was introduced to Hawaii in 1917. Albizia is a fast growing tree with shallow roots, brittle wood, and a weak structure. Your Committee also finds that, due to its rapid growth rate and soil-altering roots and foliage, Albizia poses a threat to lowland native forests. Falling Albizia trees and branches pose a safety hazard to homeowners and motorists. Albizia trees have also damaged overhead and underground utilities. Your Committee further finds that Albizia has proliferated on the island of Hawaii to the point where it has become a significant problem.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 74, S.D. 1, and recommends its adoption.

Respectfully submitted on  
behalf of the members of the  
Committee on Ways and Means,

DAVID Y. IGE, Chair

The Senate  
 Twenty-Seventh Legislature  
 State of Hawai'i
