SB 2469

Status &  
Testimony

RELATING TO TELEHEALTH.

Requires reimbursement for services provided through telehealth to be equivalent to reimbursement for the same services provided via face-to-face contact between a health care provider and a patient. Clarifies that a health care provider of telehealth includes primary care providers, mental health providers, and oral health providers such as physicians and osteopathic physicians, advanced practice registered nurses, psychologists, and dentists. Amends references to "telemedicine" in the Hawaii Revised Statutes to "telehealth" for consistency.
