Comments: As President of Paukukalo Hawaiian Homes Community Association I would like to submit testimony in support of Doreen Gomes to represent our Hawaiian homesteads on Maui as a Commissioner on the Dept of Hawaiian Home Lands commission. Our association has known Doreen or Pua for many years. She grew up here in Paukukalo on homestead land and has always been active in supporting our Hawaiian community. She now resides in Waiohuli but is still interested in Paukukalo and has supported me as its president for the past 6 years. She helps whenever needed. She has also represented Waiohuli community in our leaders meetings and been present in our annual Prince Kuhio Day Celebration every year that she has been invited. I personally testify that she is of good character and tries her best to do the best she can to learn all she can to help our Hawaiian communities. We are definitely in support of her being appointed a commissioner on DHHL's board of commission. Sincerely, Olinda Aiwohi, President Paukukalo HHCA

Maile,

My name is Barbara Kukaua, lessee at Paukukalo Hawaiian Homestead on Maui (first Homestead development in 1962). I have known Doreen Gomes as Pua Canto. Pua comes from a family of community leaders. Her father Ralph Canto and her uncle Butch Canto served as Presidents of the Paukukalo Hawaiian Homestead Community Association at different times, and their leadership was admirable. I see similar qualities in Pua who currently volunteers for many organizations. I watched Pua grow into a beautiful leader with many talents and energy. Pua is coming of her time and as a homesteader, I know Pua will advocate for all beneficiaries fairly.

Honorable Chair Maile Shimabukuro
Hawaiian Affairs (HWN)

My name is Gary Yabuta and I am the Chief of Police for the Maui Police Department. I understand that Doreen Gomes has been nominated for the Department of Hawaiian Home Lands, Hawaiian Homes (Maui) Commissioner position.

I have known Ms. Gomes since she began her term as a Police Commissioner for the Maui Police Commission and I was the Deputy Chief for the Maui Police Department. We immediately developed a friendship and to this day, we remain close friends. I have always supported her community service projects, which seems never-ending; however, her efforts to improve the quality of life for Maui residents and our tourists is indicative of her caring character and relentless energy to help anyone in need.

During her role on the Maui Police Commission, she was immediately recognized by her fellow constituents for her leadership capabilities and diplomacy traits, and she was appointed as the Maui Police Commission Chairperson. During her tenure as the Commission Chair, Ms. Gomes quickly inserted her devotion to the community's concerns and attitude of the Maui Police Department-some of which was unfavorable and critical of the Maui Police Department's mission and professionalism. Without hesitation, she would convey the community's concerns with me as the Deputy Chief of Police and later to me in my current position as the Chief of Police. More than any other Police Commissioner, Ms. Gomes was able to speak on behalf of the people of Maui on matters relating to the service and professionalism of the Maui Police Department, and this Chief of Police.

As I had remarked earlier, it is unbelievable as to the amount of civic and charitable duties Doreen conducts for our Maui Community. It is immeasurable as to her impact on all aspects of our community-resulting from her never-ending energy, compassion, and dedication to stand up for the right beliefs our time, for which she courageously pursues each day.

I thank you for the opportunity to write on behalf of Doreen Gomes for this Hawaiian Homes Commissioner position and I cannot think of any one better to represent Maui.

I have known Doreen "Pua" Gomes for over 30 years, as both of us worked for the Hawaiian Telephone Company. She has always been a person who is willing to be involved. Her knowledge about the subject matter is amazing, she does her homework.

I know she will be a great addition to the Hawaiian Homes Commission.

Your confirmation of Doreen "Pua" Gomes will be appreciated.

I, Gordon Kalehuawehe support the Governor's nomination of Doreen Pua Gomes to serve on the Hawaiian Homes Commission.

Having been one of the first (2) homesteaders to be awarded a homestead lease in 1962, our families lived next to each other. Like family I have watched her grow to follow in her father's footsteps. Ralph Canto Sr., laid the foundation, and Pua followed. He was a good man, having raised decent and responsible children. Now adults, Pua and the rest of the ohana, carry on Ralph's legacy.

I am in support of Doreen N. Gomes as a Gubernatorial Nominee to the Hawaiian Homes Commission.

Best Regards,

Gordon Kalehuawehe

Hi Senator Maile Shimakukuro, Chair and Senator Clayton Hee, Vice Chair - Senate Committee on Hawaiian Affairs,

I sincerely wish to see and recommend Doreen “Pua” Gomes for the position of Department of Hawaiian Homelands Commissioner.

My knowledge of Pua comes from our mutual cooperation on matters relating to the Maui Native Hawaiian Chamber of Commerce and Maui Business Brainstormers. I am the founder and organizer of Maui Business Brainstormers with approximately 500 members. As the owner of a graphic design business, I also supported Pua’s recent candidacy for the Office of Hawaiian Affairs.

Pua’s many years of service to the Hawaiian community is a compelling endorsement of her eligibility. She has greatly advanced the development of the Waiohuli Hawaiian Homestead Association, as a Past President, and through her initiatives and coordination of numerous projects. She is an active participant in the organization of Maui Native Hawaiian Chamber of Commerce and is currently President Elect. Pua has held or holds approximately ten other voluntary positions in Hawaiian or Civic organizations including Police Commissioner and Fire Commissioner.

This is one of Pua’s quotes: “As Hawaiians we should never forget who we are, and where we came from. We are the vital link between our Kupuna who owned the past, and our keiki who will own the future. It is for these reasons that I want to serve the people of Hawai’i.”

Pua is known for her integrity and dedication. She is a person who gets involved, works well with others, gets into the details, help organize, move forward, overcome obstacles and make it happen. Should you select Pua - she will serve us, the people of Maui and Hawai'i well.

Sincerely,

Grace Fung

Re: Testimony on GM 512 - Confirmation of Doreen Gomes to the Hawaiian Homes Commission

Aloha Chairman Shimabukuro and Committee Members,

My name is Howard S Kihune, Sr of Maui and I am submitting this testimony in support of Doreen "Pua" Gomes for the position of Commissioner on the Hawaiian Homes Commission. I've known "Pua" for more than 30 years and found her to be a very talented, intelligent and caring individual who has been very active in volunteering to serve and participate in Maui's public and private community organizations for many years.

As a past president of the Maui Native Hawaiian Chamber (MNHC), I had the privilege of working with "Pua" to serve our fellow Hawaiians in business and community service. I have been very pleased with the knowledge, experience and common sense approach that "Pua" has shown in sustaining and advancing our Hawaiian cultural heritage through business development, economic growth and social connections. "Pua" will be the new president of the Maui Native Hawaiian Chamber in July, 2014.

"Pua" has been very active in serving on numerous community organizations, as well as County boards and commissions such as: the Maui Police Commission; the Maui Fire & Ocean Public Safety Commission; Board member of the Kula Community Association; member of Hui No Ke Ola Pono; member of Waiohuli Hawaiian Homesteaders Association; and, member of the Queen Ka'ahumanu Society.

With her involvement in the Maui Community for many decades and her dedication to improve the lifestyle of all Hawaiians, as well as protect and sustain our Hawaiian heritage, I find "Pua" to be an excellent choice to be a commissioner.

My wife Barbara would also like to express her support of "Pua's" appointment.

Thank you for the opportunity to submit this testimony in support of Doreen "Pua" Gomes confirmation.

Aloha Senators,

Please accept my support in the nomination of Mrs. Doreen Napua Gomes to serve on the Hawaiian Homes Commission.

Mrs. Gomes has spent many years involved in the Hawaiian community in Maui County including 10 years as a homesteader and leadership experience while serving on the Waiohuli Hawaiian Homesteaders Association Executive Board. I had the privilege to serve with her on the Maui County Police Commission which she chaired. Mrs. Gomes is the President of the Maui Native Hawaiian Chamber of Commerce a non-profit organization who enhances the socio-economic status of native Hawaiians in business.

Mrs. Gomes with her experience would be an excellent member of the Hawaiian Homes Commission. Her dedication to the Hawaiian community has and will continue to promote a positive future for the Hawaiians and to the Hawaiian Homes Commission.

I hope with her acceptance to the commission that she will feel free to count on me to promote the business of the commission on Lana'i.

I humbly urge you to support Governor Abercrombie's Nominee, Doreen Gomes, for Hawaiian Homes Commissioner.

I know Napua Gomes as an energetic and highly respected member of the Maui community with years of experience in public service, project management, supporting local and small businesses, and carrying out her kuleana with pride. She takes the reins of MNHCoC this summer as President. Formerly she served on the Maui Police Commission and as Director of Waiohuli Hawaiian Homesteaders Association. TESTIMONY ON GM 512 - Hawaiian Homes Commission

Recommendation letter: Gubernatorial Nominee, DOREEN NAPUA GOMES

**For consideration and confirmation to the Hawaiian Homes Commission,
for a term to expire June 30, 2015**

I first came into contact with Ms. Doreen Gomes while I served as the Chair of Maui Mayor Alan Arakawa's committee to advise him on the selection of people to serve on Maui County's 35 boards and commissions. During that process we vetted the names of numerous applicants and we learned of Ms. Gomes' significant abilities and fine reputation. Our committee recommended her for a position on the Maui Police Commission where she served for five years.

I have had the opportunity to know Ms. Doreen Gomes much better ever since she joined the Board of the Kula Community Association about six years ago. (I myself have been a Board member or officer for over 25 years.) I clearly remember Doreen's very active and productive participation in our Board's discussions, -- most of which concerned community issues, such as improved transportation, developing our community's priorities with regard to the State and County budgets, improving access to health care for our rather remote rural community, etc.

Within our Kula community the Waiohuli-Keokea Hawaiian Homelands has undergone very rapid development. Ms. Gomes has represented that Hawaiian Homelands' growth in a number of ways. For example, on our Kula Community Association Board she has kept us informed of the needs of the Hawaiian Homelands, has worked with the Board to get bus service extended to the Hawaiian Homelands, has met with Kula Hospital administrators to make known the health needs of the Hawaiian Homelands residents, and has taken the lead in developing a community center and certified commercial kitchen within the Hawaiian Homelands.

At all times Ms. Gomes has been an effective leader and spokesperson for her Hawaiian community. She has a pleasant and approachable manner of getting things accomplished. She has never been hesitant to constructively meet the numerous challenges that always seem to appear when change is required and programs need to be facilitated.

Attributes that I would use to describe Ms. Gomes include: her ability and perseverance in getting a job successfully completed, and a personality that encourages people to work with her. These are attributes will be most useful as a member of the Hawaiian Homes Commission. There are no negative attributes that I would use.

The Hawaiian Homes Commission would be fortunate to include Ms. Gomes as a member. She is the type of person who will make things happen for not only the other members of the Commission, but also for the many beneficiaries of the Hawaiian Homes Commission.

The legislature will be making a wise choice in selecting Ms. Gomes since she has she abilities to contribute. She has an engaging personality and clearly demonstrates high potential. I feel strongly that she is capable of serving with distinction.

In helping you to make an evaluation, I hope I have made clear my very strong recommendation of Ms. Doreen Napua Gomes as an Hawaiian Homes Commissioner.

TESTIMONY ON GM 512
Submitting for consideration and confirmation to the Hawaiian Homes Commission,
Gubernatorial Nominee, DOREEN NAPUA GOMES,
for a term to expire June 30, 2015.

I wholeheartedly support the Governor's nomination of Doreen Napua Gomes to serve on the Hawaiian Homes Commission.

Ms. Gomes is a highly respected member of the community and has many years of experience in serving both her Native Hawaiian as well as general community through organizing, advocacy and project management.

Having grown up in the homestead community of Paukukalo, Maui and residing for the past 10 years in the Waiohuli Homestead in Kula, Ms. Gomes comes with keen knowledge of the concerns, challenges and opportunities faced by homesteaders.

She played an integral role in the creation of and held leadership roles in the Waiohuli Hawaiian Homesteaders Association. She was integrally involved in the development of her homestead's Master Planned Community Center and played a pivotal role in the recently completed Phase I Community Kitchen by securing funding and coordinating the various development requirements.

Further serving native Hawaiians, Ms. Gomes is President-Elect of the Maui Native Hawaiian Chamber of Commerce. A non-profit organization whose mission is to promote and sustain Hawaiian values and culture, and enhances the socio-economic status of Native Hawaiians in business and as individuals.

I have had the pleasure of knowing and working with Ms. Gomes for more than 10 years. She is an astute, compassionate, professional individual. I am confident that Ms. Gomes will continue to use her cultural knowledge and personal familiarity to support and advocate for the needs of both the beneficiaries and the Department of Hawaiian Home Lands.

Thank-you for the opportunity to express my support for Doreen N. Gomes, as a Gubernatorial Nominee to the Hawaiian Homes Commission.
