Re: Nomination to State of Hawaii Real Estate Commission
March 12, 2014, 10:00 am (GM536)

Dear Chair Baker, Vice Chair Taniguchi, and Members of the Committee:

I am submitting this letter in support of Ms. Nikki T. Senter's nomination for reappointment to the State of Hawaii Real Estate Commission.

As a former Vice-Chairman of the Real Estate Commission (my term ended in June 2013), I have worked closely with and come to know Nikki very well, and can without qualification provide the highest recommendation for her reappointment to the Commission.

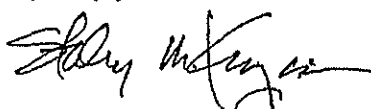

During the years I served with Nikki, I found her to be very knowledgeable about (a) the regulation of real estate licensees under H.R.S. Chapter 467, and Rules promulgated thereunder, including proper licensure and disciplinary action, (b) the protection of the consumers' interest under those laws and rules, and (c) the registration and regulation of condominium projects under H.R.S. Chapters 514A and 514B.

Nikki's credentials as a real estate development lawyer for the past 13 years qualify her for the roles and responsibilities of the Commission and strengthen her decision-making.

Just as important as Nikki's professional qualifications are her personal attributes. She is hard working, possesses the highest integrity, and is well-respected by the Commission's staff.

I highly recommend Ms. Senter for reappointment to the Real Estate Commission; thank you for your time in considering this letter of support.

Very truly yours,

Stanley M. Kuriyama
