Comments: Please confirm Jason Misaki for service on the Advisory Committee on Pesticides. As a member of the DLNR Division of Forestry and Wildlife Oahu Wildlife Manager, he has extensive experience with controlling devastating invasive species in our watersheds by using methods that include pesticides, when appropriate. Jason will bring an important and necessary perspective to the discussions of this group. Thank you.

Comments: Jason Misaki would be a great addition to the Advisory Committee on Pesticides. Any actions taken by the Pesticides Branch should be balanced with any concerns or views from a conservation/wildlife management standpoint.
