Comments: April 11, 2014 Senator Roz Baker Chair: Senate Committee on Commerce and Consumer Protection Senatorial District 6 Hawaii State Capitol, Room 230 Honolulu, HI 96813 RE: Dr. Earl Hasegawa's Nomination to the Board of Dental Examiners Dear Honorable Roz Baker and Members of Committee Having practiced general dentistry here on Maui for the past 32 years, it was refreshing to see my colleague Dr. Earl Hasegawa nominated to the Hawaii State of Dental Examiners. Since starting his oral surgery practice in 1995 he has focused on "serving" and I believe that is why he is so highly respected by so many. His patients know him as the gentle doctor who pleasantly surprised them with a personal follow-up call the evening after surgery. His referring generalists like myself know him as a good listener and effective communicator...all with the goal of helping our patients make the best decisions for themselves. Our Maui County Dental Society knows him as a past president who continues to represent us at the state level. Our community knows him as the organizer of the annual Keiki Day at the UH Maui Oral Health Center. Dr. Earl Hasegawa is all about fairness and keeping an open mind. His addition to the Hawaii State Board of Dental Examiners would be a great benefit to our people as he continues his commitment to service. Sincerely, Randall H. Sasaki DDS
