Rosalyn Baker, Chair

Senate Committee on Commerce and Consumer Protection

Dear Ms. Baker,

I am a massage business owner in Hawaii and I work as an instructor in the massage department at Remington College. Olivia Nagashima has been my massage department chair for the last year and I am continually impressed by her professionalism, personal, and management skills. She is very organized and a great mentor for students and instructors. She is very talented massage therapist, and an active advocate for massage in our community. She is committed to continuing education and always supports instructors and therapists to continuously learn and improve.

Olivia Nagashima is a great asset to the massage community and I highly recommend that you elect Olivia Nagashima for the Board of Massage.

Please feel free to contact me if you have any questions,

Thank you so much,
