FROM: Patricia McManaman, Director

SUBJECT: **G.M. 642 – Gubernatorial Nomination of Carl Makino to the
State Commission on Fatherhood.**

Hearing: Thursday, April 10, 2014, 1:15 p.m.
Conference Room 016, State Capitol

The Department of Human Services (DHS) supports the nomination of Mr. Carl Makino to the State Commission on Fatherhood.

Mr. Makino is seeking re-appointment to the State Commission on Fatherhood. Mr. Makino has served as a Commissioner since 2012. Mr. Makino brings to the Commission over 30 years of public service with the University of Hawaii at Manoa, starting as a counselor in the Financial Aid Office and rising to the position of Executive Assistant to the Board of Regents. After his retirement with the University of Hawaii, he worked for the Salvation Army as a case worker in the Family Treatment Services for almost three years. His work with the Salvation Army included providing parenting classes for new fathers, educational and vocational counseling, domestic violence prevention training, job search, relapse prevention, and assisting in entering substance

abuse treatment programs. He has also worked as a counselor to incarcerated inmates (including inmates who are fathers) in all of the correction facilities in Oahu. Mr. Makino's extensive education, administrative, and counseling background will be of great benefit to the State Fatherhood Commission.

Mr. Makino will provide representation to the Commission as the State Senate's representative.

Thank you for the opportunity to provide testimony to this Committee.

Aloha Senator, I would like to endorse and highly recommend Mr. Carl Makino for reappointment as commissioner on the State of Hawaii Commission on Fatherhood. Mr. Makino has been a valuable asset as Vice Chairperson on the commission. His wealth of knowledge and experience and his dedication to helping fathers in the State of Hawaii have been superb. He has helped with strategic planning which has led the commission to implementing procedures to obtain a survey and study on the status of fatherhood in the State of Hawaii. This study will enable the commission to move forward with its mission and goals. Thank you.
