Comments: Succession and party have nothing to do with one another. Your position in government should not be linked to your political ideology. What this would functionally do is elevate the parties above the system—that is wrong. The system is superior to the parties and must remain so.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
