Comments: I support the proposed changes to the Hawaii State Center for Nursing's advisory board membership. The change will align it more closely with other workforce centers in the Nation and encourage the collaboration of persons with the technical expertise, knowledge, and experience needed to fulfill the HSCN's mission . In addition, this measure amends Section 304A-1405 by specifying the length of a member's term and the number of terms a member may serve and the filling of a vacancy which occurs during a member's term. Thank you.
