**RELATING TO MOTOR VEHICLE INSPECTIONS**

House Committee on Transportation

---

The Department of Transportation **supports** this Administration Bill which expands the authority of the Director of Transportation over required motor vehicle and motor carrier vehicle inspections in the State. This Administration Bill will allow the Director to make changes to the inspection programs by administrative rules rather than legislation and will be a more efficient means of making changes while still allowing for public input.

This Administration bill also deletes all of the insurance information required to be placed on an inspection certificate except the expiration date. With the implementation of an electronic inspection form program, digital images of insurance cards can be made and stored by inspection stations. The image can easily be retrieved if an inspector is suspected of not checking the card or accepting a fraudulent card. Putting only the expiration date on the inspection certificate will minimize the data entry required by inspectors while providing the most important data on the certificate.

Thank you for the opportunity to present testimony.

The Democratic Party Line has taken away the voice of the people in the making of laws, taxation with out representation in the State of Hawaii. It appears the Hawaii State Legislators are being blackmailed in to voting the Democratic party line, or the Democratic Party will not support the State of Hawaii Legislator in the next state wide election. It does not matter what the people think, the Democratic Party has already decided for us on all bills before the State of Hawaii Legislature . The chairman's in all committee meetings has a script to follow that the Speaker of the House, and the Speaker of the Senate has given the Committee Chairs to follow, to instruct the committee how to vote on a any given measures, all Bills in all committees of the State of Hawaii Legislature. It is determined ahead of time by the Democratic Party members how a committee member will vote when staying with the party line on any given Bill in the State of Hawaii Legislature, Democracy has been taken away from the tax payers in the State of Hawaii.
