Aloha Chair Takai and Vice Chair Ito: Thank you for this opportunity to provide testimony in support of House Resolution 18 (HR18). On Capitol Hill the National Association for Uniformed Services (NAUS) is "The Service Member's Voice in Government." Here, in the great State of Hawaii, NAUS Hawaii Chapter (HI-1) serves at the will and pleasure of our nation's largest per-capita uniformed service personnel and veterans community.

NAUS Hawaii Chapter (HI-1) is extremely grateful, regarding this effort to encourage our Congressional delegates and their colleagues to support and endorse HR 1796, currently being considered by the US House

We believe HR 1796 will assure our veterans and members of the Armed Forces of the proper education and training to assist them in obtaining civilian certifications and licenses, and better to assist them in adjusting to civilian life, when they separate from military service

Providing this proposed legislative encouragement is very much appreciated by our veterans personnel who served so selflessly. We very respectfully encourage you to pass HR18 as introduced.

At your service,

*D Egge*
