Statement of Interim President David Lassner, PhD

Thank you for the opportunity to present our Fiscal Year (FY) 2015 Supplemental Budget Request. With me today are representatives from our Board of Regents (BOR), our System-wide leadership team, our Campus leadership, and Deans and Directors from various programs. I'd like to offer these introductory comments prior to reviewing our FY15 supplemental budget request.

First, highlights from our newly released [2013 Performance Dashboard](#), which has been produced over the past four years to measure progress on our strategic outcomes established in 2008. For the **2012-13** Academic Year, our data show:

- **A four percent increase in the number of degrees and certificates of achievement earned**, the third year in a row where we exceeded our targets, and a 28 percent increase since FY2006-07;
- **Double digit percentage increases in degrees and certificates of achievement earned from West O'ahu (16%), and Community Colleges (13%)** since FY2011-12;
- **A six percent increase in STEM** (Science-Technology-Engineering-Math) degrees, meeting or exceeding our targets for six straight years;
- **Degree attainment of Native Hawaiians** continues to increase and **has more than doubled, from 880 degrees and certificates of achievement earned in FY2006-07 to 1,899 in FY2012-13**; and
- **\$410 million in extramural contracts and grants secured system wide**, 14 percent increase since FY2006-07

Second, in the face of declining general funds, in 2011, we proposed tuition increases to maintain the long-term financial sustainability of our system. In November 2011, the BOR adopted a five-year schedule of tuition increases, beginning with Fall 2012 through Spring 2017. Pursuant to BOR directive as part of the adoption of the five year tuition schedule, we will be

UNIVERSITY of HAWAI'I®
SYSTEM

conducting a mid-schedule review during the Spring 2014 Semester. Concurrently, to address access and affordability, the BOR requested that we increase tuition scholarships. For **FY2012-13**, we awarded **\$40.9 million** in tuition scholarships, a **102 percent increase** compared to **\$19.5 million** awarded in **FY2007-08**. However, the BOR and our leadership are cognizant that we can only stretch tuition dollars so far without adversely impacting accessibility.

Third, given our **\$1.5 billion annual operating budget**, in November 2013, our Board of Regents prudently adopted a [mandatory system-wide financial reserve policy](#). We are presently working to update our Executive Policy to incorporate the consideration of reserves as part of our biennium budget development process, which will begin this February for the Fiscal Biennium 2015-17. In FY14, we have allocated **\$78 million** to address major renovations or repair and maintenance (R&M) to existing facilities system wide. This amount is sufficient to keep our backlog from growing, but we need to do more.

I will now turn to our FY2015 Supplemental Budget Request, and focus on critical base budget funding issues and initiatives identified by the Board of Regents and our University Leadership. Because this is a supplemental budget request, we took a shorter-term view, making adjustments for changing fiscal and academic factors that will drive the second year of our biennium budget.

Restoration of General Fund Reduction

In the 2011 legislative session, the University System general fund base budget was reduced by \$14M to change the means of finance for salary costs related to the UHPA furlough. Since then, the University has been using tuition revenues for this cost. However, we would propose to instead commit these tuition revenues towards critical health and safety and deferred maintenance projects. Thus, if the legislature agrees to restore the \$14M in general funds, the University System will commit the \$14M in tuition revenues toward our most urgent repair and maintenance backlog.

UNIVERSITY of HAWAI'I® SYSTEM

Additional General Funds to Sustain Higher Education System

Likewise, the University System is seeking \$19.5 in additional general funds to supplant tuition revenues that are being used in current FY14 and will be needed in FY15 for faculty salary increases resulting from a binding collective bargaining agreement. Should we not receive additional general funds, we will need to continue increasing tuition and fees at a time when many families and students are expressing concerns about their increasing investment in higher education. Given the critical role of higher education as part of civic engagement and economic development, we believe that a re-investment in higher education by the State is prudent and sends a positive message to our students and their families.

While the restoration of our general funds to support fiscal sustainability remains our highest priority within our operating budget request, we have a few specific initiatives that we would like to mention and for which we have both Board of Regents and the Governor's support.

Outcome Based Funding

- Several years ago, with the encouragement of the Legislature, we adopted an outcome-based request for additional general funds to offer as incentives for achievement of our performance goals. We are requesting \$800K for the community college system as a match to continue their implementation of outcome-based funding on a limited basis.

21st Century Education

- This initiative of our Board of Regents requests \$800K and has been re-focused on conducting a system wide assessment to prioritize programs for delivery of distance learning and provide support for faculty collaboration and innovation through distance technology.

UNIVERSITY of HAWAII® SYSTEM

Hawai'i Innovation Initiative

- This initiative involves our partnership with the business community, particularly the Hawai'i Business Roundtable, to invest in growing new research sectors. Our request for \$800K will allow us to pursue increasing our research capacity in data-intensive sciences, while leveraging funds from research grants to attract new research projects to Hawai'i.

Pūko'a Council

- Our system wide Pūko'a Council has developed a plan for expansion of support services for native Hawaiian students, while partnering with Nā Pua No'ēau, a program that builds greater academic capacity for K-12 Native Hawaiian students and builds their readiness for college. Our request for \$600K will allow us to continue to expand these services throughout the University System.

In summary, for the University System operating budget, we are asking the Legislature to make an additional investment of **\$37.5M in general funds in FY2014-15** to re-invest in our public higher education system and key projects for which we have the BOR and Governor's support.

Stewardship of Facilities

With respect to our University System capital improvement project (CIP) budget request, our goal is to leverage government funds with our ability to use revenue bonds.

- We are asking for a total of **\$73M in General Obligation Bonds, along with \$212M in revenue bonds to address our deferred repair and maintenance backlog system wide.** We will commit \$14M in tuition revenues to support the debt service on the revenue bonds, in exchange for the restoration of the \$14M reduction in general funds made in

UNIVERSITY of HAWAII®
SYSTEM

FY12. Of note, the Governor approved an additional \$54M in cash financing for health and safety and capital renewal projects, which will be a priority for us.

- At their November 2013 meeting, the Board of Regents approved a [moratorium](#) on new construction projects, pending legislative review of any new projects requested in the FY15 supplemental request. One key project in this regard is the Daniel K. Inouye College of Pharmacy at our Hilo campus, which will leverage state funds with revenue bonds. We are asking for a state investment of **\$28M in general obligation bonds and authorization for \$5 million in revenue bonds.**

Conclusion

We are here today to ask for your help. We need you to invest in:

- our students' futures, whether they stay in Hawai'i or work elsewhere in our global economy -- they will be building our future based upon what they have learned here within the University of Hawai'i System ; and
- our faculty and staff, who are educating our students and conducting research towards creating a better tomorrow for Hawai'i.

We are proud to count as alumni, two members of our Congressional delegation, our Governor and Lt. Governor, 13 of 25 state Senators, and 34 of 51 state Representatives.

We need you to believe in us as you did when you were a student here, and invest in our State's sole public higher education system.

Thank you for your attention and we are available to answer questions at the appropriate time.

The logo of the University of Hawai'i System is a circular seal. It features a central torch with a flame, set against a background of a globe. The text "UNIVERSITY OF HAWAII" is written along the top arc of the seal, and "MĀLAMALAMA" is written across the middle. The year "1907" is at the bottom. The Hawaiian phrase "EA O KA 'ĀINA IKA HONO" is written along the bottom arc. The entire logo is rendered in a light, semi-transparent gold color.

- ❖ November 2013 -- Board of Regents adopted a mandatory system-wide financial reserve policy.

FY15 Budget Conditions from BOR Joint Committee

1. Provide information to verify that the revenue bond issue will be structured so as not to contribute to further increases in tuition.
2. Provide revenue, expense and debt service projections over the life of the bond issue to analyze how the debt will be covered to avoid future impacts to the delivery of academic services.
3. Provide verification that revenue bonds may be used for all of the intended purposes without jeopardizing current IRS regulations, and verifying that such uses will not negatively affect the university's bond rating.
4. Evaluate and provide a cohesive plan and wholistic approach to remedy all of Manoa's deferred maintenance – whether these have been historically categorized as deferred maintenance or “new/renovation” projects.
5. Provide a comprehensive plan to ensure that public monies are spent in a responsible, efficient and cost effective manner. This would include, among other things:
 - a. Establishing “best practices” and policies for procuring and executing all construction projects
 - b. Establishing metrics and processes that will be published on a regular basis to provide transparency into all major aspects of this process
6. Provide simplified revenue/expense financials for campuses that are requesting operational support in this biennium budget request.

<p>/1 The estimated ending unencumbered cash balances include deferred revenue, which is revenue collected in FY 2014 for FY 2015 activities. The combined estimated deferred revenue for the Tuition and Fees Special Fund and the Community College Special Fund is approximately \$5.8 Million. Of the remaining unencumbered balances, approximately \$19.3 million are required to meet the UH Community College (UHCC) reserve policy. The UHCC reserve policy is required by the Accrediting Commission for Community and Junior Colleges (ACCJC) to ensure the financial stability of accredited campuses. The reserve level is set at 10% of the unrestricted funds (general, special, revolving funds; excluding the Revenue Undertakings special fund and Student Activities revolving fund) expenditures and encumbrances for the fiscal year.</p>									
<p>/2 The estimated ending unencumbered cash balances are needed for chartered student organizations and student activity programs of the Community Colleges, such as student government, social and cultural activities, honor society activities, new student orientation, etc. The enabling statute provides chartered student organizations with the authority to determine how these funds are spent.</p>
