Comments: Senators, I support this measure to limit consumer fireworks. I also believe the current bans on sparklers and fountains should be a State law which cannot be over ridden by the Honolulu City Council. Sparklers are too dangerous to be re-introduced to Hawaii. Mahalo for this opportunity to testify on this measure.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
