## THE HONORABLE GLENN WAKAI, CHAIR SENATE COMMITTEE ON TECHNOLOGY AND THE ARTS

Twenty-Seventh State Legislature Regular Session of 2014 State of Hawai'i

RE: S.B. 2097; RELATING TO PEN REGISTERS.

Chair Wakai, Vice-Chair Nishihara and members of the Senate Committee on Technology and the Arts, the Department of the Prosecuting Attorney of the City and County of Honolulu submits the following testimony in <u>strong support</u> of S.B. 2097.

The purpose of this bill is to update the definition of a "pen register" to include devices that don't use a landline but still make phone calls, such as cellular telephones and electronic devices that make phone calls via the Internet, and software applications such as Skype, Google Voice, and iCall. In short, the proposed language makes the statute "technology neutral".

The current statutory definition of a "pen register" was adopted in the 1980's, and still refers to numbers dialed on a landline. Specifically, HRS §803-41 defines a "pen register" as a "device that records or decodes electronic or other impulses that <u>identify numbers dialed or otherwise transmitted on a telephone line</u> to which such device is attached ..." (emphasis added).

The language of S.B. 2097 would make the definition of "pen register" technology neutral, and more applicable to current forms of communication. Significantly, however, this proposal would not change the "probable cause" standard, or burden of proof that law enforcement must meet, to obtain an order for a pen register or trap and trace device. Those standards, set forth in HRS § 803-44.5 and 803-44.6, would remain unaffected by this proposal.

For the foregoing reasons, the Department of the Prosecuting Attorney of the City and County of Honolulu strongly supports the passage of S.B. 2097. Thank you for the opportunity to testify on this matter.

## TESTIMONY IN SUPPORT OF S.B. No. 2097 A BILL FOR AN ACT RELATING TO PEN REGISTERS

Justin F. Kollar, Prosecuting Attorney County of Kauai

Senate Committee on Technology and the Arts

Thursday, February 13, 2014 1:15 p.m., Room 414

Honorable Chair Wakai, Vice-Chair Nishihara, and Members of the Senate Committee on Technology and the Arts:

The Office of the Prosecuting Attorney, County of Kauai submits the following testimony in support of S.B. 2097, Relating to Pen Registers.

The purpose of S.B. 2097 is to amend H.R.S. 803-41 to redefine the definition of "pen register" to include transmission by a cellular or electronic device in addition to a telephone line. This would include devices that do not necessarily use a landline for communication transmission such as iCall, Skype, etc. With the evolution of technology in today's day and age, S.B. 2097 simply updates the definition of "pen register" to subsequently reflect this growth in technological devices.

For this reason, we strongly support S.B. 2097. Thank you very much for the opportunity to provide testimony on this bill.

Respectfully,

Justin F. Kollar Prosecuting Attorney County of Kaua'i

Dear Chair Wakai and Members:

SUBJECT: Senate Bill No. 2097, Relating to Pen Registers

I am Jason Kawabata, Captain of the Narcotics/Vice Division of the Honolulu Police Department, City and County of Honolulu.

The Honolulu Police Department supports Senate Bill No. 2097, Relating to Pen Registers.

The Honolulu Police Department urges you to support Senate Bill No. 2097, Relating to Pen Registers.

Thank you for the opportunity to testify.

APPROVED:

Sincerely,

JASON KAWABATA, Captain
