SB2243

Submitted on: 1/30/2014

Testimony for PSM/ENE on Jan 30, 2014 14:50PM in Conference Room 225

Submitted By	Organization	Testifier Position	Present at Hearing
Michael Miyamoto	County of Maui, Department of Environmental Management	Oppose	No

Comments: As the Deputy Director of the department, we don't support the proposed action of delegating to the Counties the regulation of individual wastewater systems and private wastewater treatment works. We don't have the expertise, manpower or funding to take on this responsibility. This action will result in inconsistent levels of protection of the environment as counties will adopt individual rules and ordinances.
