

LATE TESTIMONY

Committee Members:

Please oppose SB 2257, unless it is amended to permit making guns for personal use if they are registered with the ATF. I believe this is consistent with The National Firearms Act.

Please oppose SB 2257, unless amended as above.

Respectfully,

Comments: Oppose. Will have no tangible effect on crime as criminals do not follow the law. Will not make obtaining a firearm any more difficult for the criminal. existing laws already cover "manufacture". any wrong use would still be illegal, so this law would be redundant and unenforceable. Waste of resources. Oppose this bill.
