Aloha Committee members. I want to express my support for SB2386 which will change the incentives for people to market and resell stolen property. This much needed piece of legislation will bring us up to date with technology used by criminals these days.

I strongly support SB 2386. We, along with many others, have had burglars enter our home and steal valuable items that could be sold on the internet. This new way of fencing stolen items must be stopped. Mahalo, Mary King , Kailua
