In consideration of
SENATE BILL 2391, SENATE DRAFT 1
RELATING TO PUBLIC LANDS

Senate Bill 2391, Senate Draft 1 proposes to establish a 2-year pilot project to resolve user conflicts on public recreational lands by convening one working group on the island of Oahu to identify and implement management strategies through the execution of a written agreement between interested parties. **The Department of Land and Natural Resources (Department) supports this measure as it will allow the Department to work on developing the process to resolve user conflicts.**
