Comments: Dear Chair Baker; Chair Hee and members of the Committee: The Hawaii Laborers' Union supports SB2475. It clarifies that a licensed contractor who aids and abets an unlicensed contractor to evade HRS 444 may be subject to additional discipline. This will assist the RICO to administratively prosecute violators. Thank you for the opportunity to submit this testimony.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
