Re: SB 2534, SD1

To: Senator Ige and the members of the committee,

Aloha,

On behalf of the Community Alliance for Mental Health along with United Self Help we strongly support the passage of SB 2534, SD1.

We believe that the passage of SB 2534, SD1, is an essential element in both our health care transformation and our homeless problem.

This is a brilliant idea! Not only that it truly has the potential of our community coming together to solve a common problem.
