Comments: Please help us provide these 6 new ball fields to the children in our community. These fields will provide a safe place in town for all of our children to participate in sporting and community activities.

Comments: As a citizen in the Waimea community we lack adequate park facilities for our ever expanding community; the overcrowded playing conditions at our existing small park; the hazard of patron parking on a main street in the middle of town, and the need for a facility that can foster a more healthy and safer life style for our keiki. These are just a few reasons why we need additional recreational facilities. Mahalo for your consideration.
